Tuesdays and Thursdays
3:30-6:30 p.m.

Saturdays
10:00 a.m. – 4:00 p.m.

Grants to Non-Profit Organizations

Letters will be going in the mail shortly to all local organizations. If you do not receive a letter, and would like to find out more information about how to apply for a grant from the Municipality, please contact the office.

DOG S!!

It doesn't matter where you live - Town or Country - dogs are wonderful pets and are great companions. These rules apply to all dog owners:

1. Do not let your dog wander at large.
2. Pick up after your dog.
3. Do NOT let your dog bark excessively.
4. Do not leave your dog outside while you are at work - that is usually when they bark!
5. Participating in a training program with your dog is both fun and beneficial to you, your dog, and your neighbors.

The Municipality does have a dog by-law and we are hopeful that we will not be required to send out too many copies of it!

RECYCLING AND HOUSEHOLD GARBAGE

can now be taken to either of the two Waste Transfer Stations - as long as you are a ratepayer of either the rural area or the urban area of the Municipality of Oakland-Wawanesa. Farm chemical containers cannot be taken to Wawanesa Waste Transfer Station. If you have any questions about the hours, what types of refuse are accepted or any other questions regarding the Waste Transfer Sites, please call one of the offices and we will be glad to answer your questions.

**NEW EMAIL ADDRESS:
OAKWAWA@OUTLOOK.COM**

Building/Development Permits Planning & Subdivisions

A permit and approval is required for almost every type of project. Fees double if construction is started before a permit is issued, so please contact the office for applications and more information. All proposed subdivisions must be applied for through Provincial Community Planning Services in Brandon. Once again, please contact the office if you have any questions and we can help guide you through the process.
