

Our new **WEBSITE** is currently being designed, but both the Wawanesa and Oakland websites are still up and running. For up-to-date information please visit either www.wawanesa.ca or www.oaklandriv.ca.

We are currently looking for rural and urban photos that could be used on the new website. If you have any local photos that could be featured, please forward them to our new email address at: oakwawa@outlook.com and we will see if we can get them loaded up!

Also if anyone has an event, ideas for items, features, or other content, that would be useful for all ratepayers in our new municipality, please drop us a line and let us know!
