Subject: Manitoba Access Awareness Week 2022 (Francophones, RMs)

**On behalf of Darren Macdonald
Executive Director
Manitoba Accessibility Office**

Greetings:

Manitoba Access Awareness Week (MAAW) is May 29 to June 4, 2022. To mark the week, please join the Honourable Rochelle Squires, Minister of Families and Minister responsible for Accessibility, the Manitoba Accessibility Office, and the Manitoba Employment Equity Practitioners Association for a **free** webinar:

Accessible Information & Communication - Good for Everyone

- Date: Thursday, June 2, 2022
- Time: 1:00 to 3:00 pm CDT
- Registration: <https://maaw2022.eventbrite.ca/>
- Details: The day before the event, you will receive a password protected Zoom link

Featuring:

- Introductory remarks by the Honourable Rochelle Squires, Minister of Families and Minister responsible for Accessibility
- Presentation by the Manitoba Accessibility Office on the new Accessibility Standard for Information and Communication
- Keynote presentation by Lisa Snider, Senior Consultant, Trainer and Owner of Access Changes Everything Inc.
- Question and answer period (for pre-submitted and live questions)

You Will Learn About:

- The importance and benefits of digital accessibility

- The basics of accessibility legislation in Manitoba and Canada
- How some people access digital materials
- Practical tips on how to start removing barriers, and making digital materials and media more accessible, for people with different disabilities

For the Q&A Period: In advance of the webinar, please submit questions and inquiries for presenters to MAO@gov.mb.ca.

The Manitoba Accessibility Office also features tips to raise awareness about accessibility issues affecting individuals, community organizations and businesses. [All advice and tips are available on the MAAW webpage.](#)

We look forward to seeing you during our MAAW 2022 webinar!

Tracy MacMillan, Office Manager

Manitoba Association of Municipal Emergency Coordinators

ANNUAL CONFERENCE

JUNE 7, 2022

8:30AM–4:30PM

Join us at the **CanadInn Destination Centre Polo Park** on **June 7TH** for the 2022 MAMEC Conference! Registration Desk will open at 7:30am.

Meet industry leaders, learn valuable skills that will help you grow in your role, and network with a community of your peers.

\$225

**PRICE FOR
MAMEC MEMBERS**

\$250

**PRICE FOR
NON-MAMEC MEMBERS**

June 4TH

**REGISTRATION
DEADLINE**

MAMEC is dedicated to keeping the cost of the conference affordable for all communities. Another advantage to membership is a reduced rate for the conference; if you are not a member but wish to join MAMEC send us an email at info@mamec.ca and we will forward a membership application.

Risks associated with Manitoba Summer Weather **PRESENTED BY NATALIE HASELL**

Warning Preparedness Meteorologist Natalie Hasell will review parts of Environment and Climate Change Canada's Public Warning Program as well as the threats, hazards, and risks associated with summer weather and what precautions to take with those in mind.

How Technology Can Make an Impact in All Phases of Emergency Management **PRESENTED BY TED DUFFIELD AND ZACH PLOSHYNSKY**

Our founders and executive team spent years using typical, best-in-class enterprise software to run complicated operations. Ted will demonstrate how you can use software to improve your community response to an emergency. See how Lightship Works can prepare hazard mapping, evacuation routes and more. Zach Ploshynsky uses his experience as an Emergency Manager and Helitack Leader to conduct Community Wildfire Assessments and specific emergency plans. Using the latest software technology from Lightship Works, Zach prepared Wildfire Community Assessments and Emergency Plans. He will discuss what goes into planning and how to use this information to better prepare your community to deal with wildfires.

Moving Forward from COVID-19, Where do we go from here? **PRESENTED BY CYNTHIA CARR**

From the first days of the pandemic it was clear how leadership impacted the messaging being relayed to the community. After two years of lockdowns, a changing virus and fears for the future, we are now learning to live with COVID-19 and our new normal life of tests, masks and social distancing. Let's look at what have we learned from COVID-19 and what it will look like moving forward.

MAMEC's Training Program **PRESENTED BY PATRICIA MARTEL**

Dr. Martel is working with MAMEC to create a Training Program for MEC's that will meet all provincial legislation, regulation and standards. This program is designed to teach MEC's what they will need in their position along with the confidence to better perform in your position. She will discuss the 8 modules that will complete the certified training program, what to expect from each course and how we are moving our training and education program into the future for better preparedness for each of us.

Cynthia Carr

Epidemiologist

B.A. (Hons.), M.P.A., M.Sc., Cert. Health Law

Starting her career in the Northwest Territories, Cynthia Carr brings more than 25 years as an epidemiologist, community engagement facilitator, health policy specialist, evaluator, business case development expert and strategic planner. After working for NWT and Manitoba governments, she started EPI Research Inc. which has now been in business for 21 years. She is also a proud mother to two young adult children.

Ted Duffield

Sales Director, Lightship Works
Calgary, Alberta

Ted leads the Lightship sales team Globally and has spent many years building long term relationships in the software industry. Ted was responsible for the overall growth strategy which included the recruitment and onboarding of multi-billion-dollar channel partners including Honeywell, Bell Mobility, Telus, and Finning. Ted is passionate about helping all organizations take a practical approach to technology and digital transformation.

Natalie Hasell

Warning Preparedness Meteorologist

Environment and Climate Change Canada in Winnipeg

Natalie Hasell is the Warning Preparedness Meteorologist with Environment and Climate Change Canada in Winnipeg. Natalie endeavours to inform the general public in Manitoba and the Canadian Prairies about severe weather and what precautions to take in advance of and during these events through media interviews and awareness campaigns.

Patricia Martel

Certified Emergency Manager (CEM)
PhD Emergency Management Planning

Patricia Martel is an emergency management practitioner with a passion for enhancing the profession through the development and implementation of best practices. Patricia has 15 years' experience in the field of emergency management which includes working for provincial and municipal governments. Patricia completed a PhD focused on effective operational emergency planning for vulnerable populations with a case study on schools.

Zach Ploshynsky

Wildfire Specialist
Napier Emergency Consulting

Zach leverages his background as a Helitack Leader and Emergency Manager to provide clients with tailored end-products that combine data and real-world experience. Zach spent 7 years in the Alberta Wildfire Helitack program, working on wildfires in several capacities, including Incident Commander. From this experience, Zach developed a strong understanding of the prevention and mitigation measures required to make an impact on community resilience to wildfire events.

Registration is open April 15th and closes June 4th, 2022.
To register, simply fill out the form on the next page and send it in to MAMEC with your payment (addresses listed above form).

WE HOPE TO SEE YOU ON JUNE 7TH AT CANAD INNS POLO PARK!

Send form with etransfer payment to:

Subject: Upcoming vehicle speed study (Oakland-Wawanesa)
Attachments: Speed Observation Study FAQs_Final.docx

Good afternoon,

Speed continues to be one of the top three contributing factors in collisions that result in serious injury or death in Manitoba. In order to better understand travel speeds across Manitoba, and implement data-driven programs, Manitoba Public Insurance has commissioned Conduent Business Services Canada, Inc. to conduct the 2022 Manitoba speed observation study.

From May to June 2022, Conduent may install small radar recording devices (the Traffic Logix 'Speed Tracker' device) on existing poles to collect normal motor vehicle speed data in one to three sites in your area for a period of one week. This device is used extensively across North America to track vehicle speeds. Installation of these devices will not affect or damage any of the existing poles used.

No photos, images of license plates or video will be captured by these devices for the study. Only aggregated speed data will be collected exclusively for research purposes, with no subsequent contact or consequence to drivers. **Conduent will reach out to you directly to obtain your permission on exact locations proposed for device installation, as required.**

Since our goal is to capture the normal behaviour of drivers without influence from external factors, we ask that you do not share this information publicly (via social media, etc.), and that speed enforcement in these areas remain consistent with previous years. The study will be repeated in November/December, to assess seasonal differences in speeding, and the results of your area's speed observations will be shared with you once the report is completed. For quick reference, I have also included a FAQ sheet on the study for your information.

If an upcoming infrastructure project is likely to impact normal vehicle speeds at a proposed location (e.g. planned construction, or a change to posted speed limit), or for further information about this study, please contact me at Manitoba Public Insurance (204-792-4672) or ceden@mpi.mb.ca.

Thanks,

Clif Eden, B.Comm (Hons)
A/Manager, Road Safety Programs

Manitoba Public Insurance
Driver and Vehicle Policy and Administration
Legal and Legislative Services
T: 204-985-8770 Ext. 7165 | C: 204-792-4672 | F: 204-954-5317 | W: mpi.mb.ca
510-234 Donald Street, Winnipeg, MB R3C 4A4

Speed Observation Study FAQs

Q: Will photos of vehicles or license plates be taken as part of this study?

A: No. The technology is radar-based and has no picture-taking capabilities.

Q: Is this being used for traffic enforcement?

A: No. Vehicle speed and traffic volume will be collected for research purposes only, with no subsequent contact or penalty for any person driving or registering the observed vehicles.

Q: How will this information be used?

A: The study will be staged in two parts.

Part 1: In Part 1 of the study (spring/summer 2022), we will collect a sample of vehicle speeds across Manitoba, typical of spring/summer road conditions. Speed will be analyzed by posted speed limit, road type, time of day and day of the week. The study will look for potential 'hot spots' for both moderate and extreme speeding over the limit. Findings will help to inform road safety programming, in particular, deployment of enhanced enforcement efforts.

Part 2: During Part 2, we will repeat the data collection (winter 2022/2023), to assess seasonal differences in speeding.

Future analysis will compare the revealed hot spots against recent traffic casualty trends, in search of any additional factors which may worsen the risk and outcomes of speeding in Manitoba.

Q: Should we tell the public about the study?

A: No. In order to capture the normal typical behaviour of drivers without influence from external factors, we ask that you do not share this information publicly (via social media, etc.). Enforcement efforts in these areas should remain consistent with previous years as well.

Q: Who should we contact for further information about this study?

A: Contact Ryan Oswald, at Conduent Business Inc., Canada at (204) 990-5695.

For more general questions about the goals of the project, or to share information which may impact on-site research in the area, please contact Clif Eden, A/Manager Road Safety Programming, Manitoba Public Insurance, at 204-792-4672.

Subject: Summary of snow clearing all year

Please see attached pictures

No one in this RM has any pride the office/shop has not been cleared in front all winter.

All the equipment is sitting outside and nothing moving.

It's been a disgrace all winter. And I've watched the wasted time spent up there.

Not like there is nothing to do!

Maybe the CEO should be taking appropriate action to remedy this.

And I'd like this sent to council

Mac McKellar

MINISTER
OF MUNICIPAL RELATIONS

Room 317 Legislative Building
Winnipeg, Manitoba CANADA R3C 0V8

April 12, 2022

Dear Mayors and Reeves:

I am pleased to provide you with details on funding available to municipalities outside Winnipeg for the upcoming 2022/23 fiscal year. Budget 2022 recognizes the important role that municipalities play in continued economic growth in our province, and in creating strong, environmentally sustainable, and resilient communities for all Manitobans.

Supporting Core Municipal Operations

Budget 2022 maintains Municipal Operating basket funding of \$50.8M for rural and northern municipalities across Manitoba. This basket also includes up to \$1.7M under the Mobility Disadvantaged Transportation Program for sponsoring municipalities of handi-transit services. The funding provided to municipalities to support core municipal services and programs is unconditional and can be allocated by municipalities at their discretion to address local priorities. Similar to 2021, 75 percent of this funding will be advanced in May, while the final payment will be released in September.

While overall funding available to all municipalities under the Municipal Operating basket remains the same, some municipalities may see changes to their 2022 unconditional grant, as new Census population numbers will be used to determine grant amounts this year. Please also note that municipalities will be asked to notionally report on the allocation of the funding towards core municipal services and programs, and to identify high level outcomes achieved with the unconditional operating grant to establish a baseline of information. This will allow the department to better understand how the funding is being applied locally, while also ensuring that it continues to meet municipal needs. A reporting template will be provided when the first payment is issued on April 30, 2022.

In addition to the Municipal Operating basket, Budget 2022 will continue to provide operating support for key strategic public safety priorities, protecting the environment, support for public library services, and airport grant assistance. This includes annual public safety funding provided by the Department of Justice for policing services. Funding support is also being provided for waste reduction, recycling and compost programs, Dutch Elm disease management, and mosquito control to reduce the risk of the West Nile Virus. Dedicated operating funding for these and other related initiatives will total \$33.3M in 2022/23. Please note that the funding supports listed here includes programming for select municipalities only. Further information will be provided in the coming weeks/months that provides details on funding programs available to all municipalities across Manitoba.

I am also happy to share that municipalities where one or more federally-owned properties are located will be provided additional funds in 2022/23 to reimburse unpaid amounts of federal Payments in Lieu of Taxes. Approximately \$600K in funding will be provided with the September 2022 Municipal Operating payment, subject to reporting being completed by impacted municipalities, and provincial confirmation of amounts. Further communication from department staff regarding requirements for this funding will be provided in the coming weeks.

Investing in Strategic Infrastructure

Municipalities outside of the City of Winnipeg will continue to receive \$61.7M to support investments in key strategic infrastructure in 2022/23. This reflects the Government of Manitoba's commitment to maintain this level of annual infrastructure funding to municipalities for the duration of our current mandate. Within this basket, Budget 2022 expands funding for water and wastewater projects administered by the Manitoba Water Services Board from \$15.8M to \$20M (a 26.4 percent increase) to enhance the board's capacity to advance critical infrastructure projects and fund larger projects. Remaining funding available under the Strategic Infrastructure basket totaling \$41.7M will be allocated to ensure the provincial share of costs for projects under federal-provincial agreements are provided for, including commitments under the Investing in Canada Infrastructure Program. Funding will also address other strategic infrastructure priorities as mutually identified by the Government of Manitoba and municipalities.

Discussions will continue through the collaboration table with the AMM to ensure that the application of funding covers the full breadth of strategic infrastructure as defined by Manitoba to include water and wastewater treatment plants, solid waste management facilities, public transit, roads and bridges, and recreation projects.

Building Thriving and Sustainable Communities

Manitoba recognizes the importance of building thriving and sustainable communities across the province and values its partnership with non-profit organizations, municipalities and local communities as we work together to improve the quality of life in Manitoba communities. Our programs and initiatives reflect this commitment to build vibrant, thriving communities where people choose to live.

Budget 2022 more than doubles the Building Sustainable Communities program budget from a budget of just over \$10M to \$25M in 2022/23. This funding will help modernize and strengthen the non-profit sector and promote capacity, sustainability, and resilience in communities. In addition, funding under the Green Team program has increased by \$5M to over \$9M in 2022/23, which is expected to support over 2,200 youth employment opportunities across Manitoba. Up to \$4M under the Urban/Hometown Green Team program will support non-profits to hire youth between the ages of 15 and 29 to work on community projects between May and September. Both of these programs help to stimulate local economic activities and improve job creation in municipalities, particularly through recovery from the impacts of the COVID-19 pandemic.

Increasing Climate Resiliency

The Government of Manitoba will also maintain the Mitigation and Preparedness Program in 2022, which is a unique and optional program that assists municipalities to mitigate against future disasters. Under this program, when Manitoba establishes a Disaster Financial Assistance (DFA) program that is eligible for cost-sharing with Canada under the Disaster Financial Assistance Arrangements, municipalities can opt to receive 100 percent of eligible DFA costs back from Manitoba in exchange for investing the amount that would have been the deductible into an approved disaster mitigation and preparedness project. To date, more than \$186.7K has been committed to municipal projects under the MPP to prepare for future natural disasters across Manitoba.

To further support climate resiliency, Manitoba is also committed to promoting a regional approach for responding to the need for expansion, renewal and environmental improvements for municipal water and wastewater infrastructure. These regional systems have proven to be a cost effective use of capital in providing safe, sustainable, drought resistant water supply to rural Manitoba residents and meeting stricter regulations. To encourage and facilitate such opportunities in Manitoba's Capital Region, the Manitoba government has issued a Request for Proposals to prepare a Capital Planning Region Servicing Strategy. It will build on work that the City has done to date to partner with neighbours on water and waste, for example, and identify opportunities for regional collaboration on infrastructure investment to promote economic growth and ensure Manitoba remains competitive and attractive for business. The strategy will be developed in collaboration with all key stakeholders.

Manitoba also remains committed to lead growth and ensure sustainable fire protection with the continuation of two Manitoba Fire Service grant programs totaling up to \$360K that improve access to training through the reduction of financial barriers and enhances the fire services' ability to train closer to home. The Mutual Aid District Training Incentive Grant and New Build Grant are targeted funding initiatives conducive to building capacity within your communities and in growing the skills necessary to create safe and sustainable communities. Manitoba is proud to continue to support the Manitoba Fire Service with Budget 2022 supporting the continuation of these programs to help ensure the safety and well being of all Manitobans.

Ensuring Value for Money

Budget 2022 also maintains the Municipal Service Delivery Improvement Program, which provides third party value-for-money reviews for municipalities that wish to improve service delivery, find cost efficiencies, and identify savings that can then be reinvested back into their communities. The Government of Manitoba has committed \$5M towards this initiative over the course of its current mandate. Up to \$1.25M has already been provided under this program to support 11 service delivery improvement reviews in 2021/22, with additional funding to be made available for additional projects in 2022/23. Information on an application intake/additional approvals for 2022 will be communicated to municipalities in the coming months.

Providing Additional COVID-19 Support

I am pleased to advise that the Government of Manitoba and the Government in Canada have reached an agreement for federal funding to support Manitoba municipalities and transit systems in addressing transit shortfalls caused by the COVID-19 pandemic. Once the required legislation is passed federally, the Government of Canada will transfer \$20.7M to Manitoba. More information will be shared in the coming weeks regarding specific allocations and uses of this funding.

Manitoba continues to monitor the impacts of the ongoing COVID-19 pandemic on municipalities across the province. Since the outset of the pandemic, almost \$283M in incremental funding has been provided to communities in Manitoba. This represents an increase of 45 percent from base provincial grant funding over these two years. I commend the shared effort of all municipalities in mitigating these impacts and share my positive outlook on the reopening of our economy for continued growth and vibrancy in our communities.

I look forward to our ongoing collaborative work, and to strengthening our partnership for the benefit of all Manitobans.

Sincerely,

A handwritten signature in cursive script, reading "Eileen Clarke".

Honourable Eileen Clarke
Minister of Municipal Relations

Total:		\$61,700

Bulletin #2022-12

MUNICIPAL RELATIONS

**Important Notice to
All Elected Officials and Chief Administrative Officers**

**PAYMENTS IN LIEU OF TAXES
EDUCATION PROPERTY TAX PHASE OUT**

In 2021, Manitoba began phasing out education property taxes by implementing the Education Property Tax Rebate. The Department is aware that federal government agencies and departments have as a result withheld some Payments in Lieu of Taxes (PILT) owing to municipalities until its obligations were clarified.

Municipalities have a legislated requirement under the Public Schools Act to remit the provincial Education Support Levy and school division Special Levies by January 31 of each year. Municipalities do not have the authority to withhold any owing amounts.

Manitoba will ensure municipalities do not experience a loss in revenue due to the shortfall in PILT payments from the federal government equivalent to the Education Property Tax rebate. Municipalities will first be required to confirm that Education Support Levy and Special Levy amounts owing have been paid in full.

Department staff will provide details directly to impacted municipalities in the coming weeks. Information will be shared as soon as it is available.

For questions regarding the phase out of Education Property Taxes, please contact Manitoba Government Inquiry at 204-945-3744 or 1-866-626-4862.

Should you require other assistance, please email mrmaas@gov.mb.ca, or phone 204-945-2572 to speak to a Municipal Services Officer.

Department of Municipal Relations
500 – 800 Portage Avenue, Winnipeg MB R3G 0N4

Bulletin #2022-14

MUNICIPAL RELATIONS

**Important Notice to
All Elected Officials and Chief Administrative Officers**

**2021 Audited Financial Statements
Due June 30, 2022**

2021 Audited Financial Statements Template:

The 2021 audited financial statements template to be used by Municipal Auditors is now available to download from the Department of Municipal Relations website:
https://www.gov.mb.ca/mr/mfas/mfas_psab.html.

Important - Municipalities may now choose to provide a copy of the 2021 audited financial statements template to their auditors or inform their auditors to download the template from the abovementioned website. The department will not send the template to auditors appointed by municipalities.

The 2021 template is substantively unchanged from the 2020 template other than updates to Note 14 – Retirement Benefits (updated by Municipal Employees' Pension Plan), additional Note 27 – Other Matters (COVID impact disclosure note) and minor edits to Notes 1, 20.

Filing Deadline:

Please be reminded that municipalities' 2021 audited financial statements are due no later than **June 30, 2022** in accordance with The Municipal Act.

Municipal auditors must provide a copy of the audited financial statements by June 30, 2022 to the Head of Council and the Minister of Municipal Relations. An electronic copy of the audited financial statements may be emailed to mrmaas@gov.mb.ca no later than June 30, 2022. A hard copy is not required.

Please note that municipal auditors must without delay report to the Minister and the Head of Council any failure of a person or institution to comply with auditors' entitlement to access to the records and information relating to the financial affairs of the municipality (section 189 of The Municipal Act). Auditors can email to mrmaas@gov.mb.ca.

Timely completion of audited financial statements is a key component in providing public accountability and transparency, enabling comparison of actual year-end results with your annual budget. Filing audited financial statements is also required to receive Canada Community Building Fund (formerly Federal Gas Tax) payments.

If you have any questions, please contact Municipal Relations at 204 945-2572 or email mrmaas@gov.mb.ca.

Subject: World Ocean Day, June 8th - Motion for Ocean Protection
Attachments: Oceans Day Resolution - 2022 .pdf; Municipal cover letter for the resolution.pdf

His/Her Worship Mayor,

I'm writing to you on behalf of Nature Canada's ocean protection team with an opportunity to help create positive change for your community, and the natural world we all rely on.

Canada has the longest coastline in the world. With it comes the duty to be leaders in protecting and restoring the ocean. As part of the Global Deal for Nature in the Paris Accords, our government **has promised to protect 30 percent of oceans by 2030** through establishing Marine Protected Areas. In 2015 only one percent of Canadian oceans were protected. But as of 2020, due advocacy by Canadians like you, nearly 14 percent of the world's oceans are now safeguarded for generations to come.

Municipalities can be powerful change agents in the goal to protect 30 percent of the world's oceans by 2030. We have seen this leadership in action in combating climate change, when cities and towns across the world stepped up to reduce their greenhouse gas emissions and pressured federal governments to do the same. Whether on the coast or far inland, municipalities rely on ocean ecosystems for seafood production, climate regulation, and the preservation of unique and beautiful animals and ecosystems.

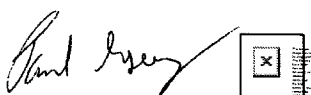

Municipalities are on the front lines of climate change and feel effects firsthand, from extreme heat to extreme precipitation.

Reaching our ocean protection goal will help us win the fight against global warming. Municipalities are on the front lines of climate change and feel effects firsthand, from extreme heat to extreme precipitation. The oceans play a pivotal role counteracting climate change as the largest carbon sink, providing more than half our oxygen while storing fifty times more carbon than the atmosphere. Oceans also regulate weather, helping to balance the uneven distribution of solar radiation.

Here's why we need you: Your voice as a municipality can influence national governments and have a direct effect on the quality of life for your residents. It's as easy as having the council pass the attached resolution. By taking this simple step, you will be helping our policy team show government officials that Canadians support National Marine Protected Areas and encourage them to implement effective policies.

It would mean a great deal to us if you could sign on to help secure a future for our generation and the generations to come.

In solidarity with you and with our natural world,

Paul Gregory (He/Him)
Nature Network Organizer

📞 | 613-791-7285

🌐 | NatureCanada.ca

📍 | Suite 300, 240 Bank St., Ottawa, ON, K2P 1X4

DONATE

Nature Canada acknowledges that our offices are located on the unceded territory of the Algonquin Nation, ancestral lands which the Algonquin Anishinabeg people continue to occupy.

Nature Canada is one of the oldest national nature conservation charities in Canada. For 80 years, we've helped protect over 110 million acres of parks and wildlife areas in Canada and countless species. Today, Nature Canada represents a network of over 130,000 members and supporters, guided by more than 1,200 nature organizations.

**A RESOLUTION IN SUPPORT OF MUNICIPALITY X RECOGNIZING AND CELEBRATING
WORLD OCEANS DAY 2022 AND THE ADVANCEMENT OF OCEAN CONSERVATION IN
CANADA**

WHEREAS, Wednesday, June 8, 2022, is the 30th annual World Ocean's Day. World Oceans Day is the United Nations day for celebrating the role of the ocean in everyday life and inspiring action to protect it.

WHEREAS, Countries around the world, including Canada as a prominent leader, have committed to protecting 30% of their ocean territory by 2030 in order to reverse nature loss in the ocean and safeguard at-risk marine life.

WHEREAS, The ocean is home to hundreds of species at risk, vulnerable ecosystems, and is a crucial carbon sink shielding us from the worst of climate change.

WHEREAS, The ocean produces over half of the world's oxygen and absorbs 50 times more carbon dioxide than our atmosphere. Therefore protecting the ocean is in the interest of all life on Earth, and communities both coastal and inland, as it is essential to our shared future.

WHEREAS, It is the jurisdiction of the Government of Canada, under various pieces of legislation and regulation, to establish marine protected areas in consultation with Indigenous Peoples. Many Indigenous nations and communities are leading in the conservation of the ocean, and have been stewards of the ocean since time immemorial.

WHEREAS, It is important for municipal leaders to demonstrate support for actions to safeguard the ocean, as they have for action on climate change and other environmental matters of national importance.

WHEREAS, In celebrating the ocean, and protecting its habitats and ecosystems, we can together raise the profile of ocean conservation's critical role in improving planetary health and slowing the crisis of species collapse and ecosystem decline.

Therefore be it resolved that the MUNICIPALITY OF X recognizes the 30th anniversary of World Oceans Day on June 8th, 2022 and supports national and international efforts to protect 30% of the ocean by 2030.

His/Her Worship Mayor,

I'm writing to you on behalf of Nature Canada's ocean protection team with an opportunity to help create positive change for your community, and the natural world we all rely on.

Canada has the longest coastline in the world. With it comes the duty to be leaders in protecting and restoring the ocean. In 2015 only one percent of Canadian oceans were protected. But as of 2020, due advocacy by Canadians like you, nearly 14 percent of the world's oceans are now safeguarded for generations to come.

Municipalities can be powerful change agents in the goal to protect 30 percent of the world's oceans by 2030. We have seen this leadership in action in combating climate change, when cities and towns across the world stepped up to reduce their greenhouse gas emissions and pressured federal governments to do the same. Whether on the coast or far inland, municipalities rely on ocean ecosystems for seafood production, climate regulation, and the preservation of unique and beautiful animals and ecosystems.

Municipalities are on the front lines of climate change and feel effects firsthand, from extreme heat to extreme precipitation.

Reaching our ocean protection goal will help us win the fight against global warming. Municipalities are on the front lines of climate change and feel effects firsthand, from extreme heat to extreme precipitation. The oceans play a pivotal role counteracting climate change as the largest carbon sink, providing more than half our oxygen while storing fifty times more carbon than the atmosphere. Oceans also regulate weather, helping to balance the uneven distribution of solar radiation.

Here's why we need you: Your voice as a municipality can influence national governments and have a direct effect on the quality of life for your residents. It's as easy as having the council pass the attached resolution. By taking this simple step, you will be helping our policy team show government officials that Canadians support National Marine Protected Areas and encourage them to implement effective policies.

It would mean a great deal to us if you could sign on to help secure a future for our generation and the generations to come.

In solidarity with you and with our natural world,

Paul Gregory
Senior Oceans Campaigner

Nature Canada is one of the oldest national nature conservation charities in Canada. For 80 years, we've helped protect over 110 million acres of parks and wildlife areas in Canada and countless species. Today, Nature Canada represents a network of over 130,000 members and supporters, guided by more than 1,200 nature organizations.

Hi Nathan,

Further to our telephone conversation, can you please send me written notice that you want to withdraw your application. If it is a postponement that you are looking for, I would need to know the duration of the postponement you are requesting.

Thanks.

April 25, 2022

To Whom it may concern:

This letter is written regarding the current lab situation in Wawanesa. Since the lab technician position in our facility has been vacated last month, lab coverage has been very sparse. We are concerned regarding the ability to provide effective primary care to the clients of our clinic and the community.

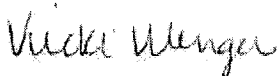

Of note, it is going to be particularly difficult to provide certain services including Intrauterine Device insertions when pregnancy tests are required prior to insertion, pre-op COVID testing as per Shared Health Guidelines and episodic care such as diagnosis of urinary tract infections to name a few.

We have clients who live in the community with physical disabilities who are unable to travel to another community for lab services. Multiple clients require regular lab work for cancer treatments and availability of access to this service is important as they already do a great deal of travelling for appointments. We work to coordinate clinic visits and lab appointments for these clients as much as possible, thus streamlining their care.

Our clinic is considered a Home Clinic for many members of the community and others from surrounding areas. Home Clinics serve to provide timely access to ensure Manitobans are able to obtain health-care services when and where they need it. For home clinics in particular, this also includes lab availability.

We look forward to discussing this issue to facilitate understanding of the situation. We are a busy clinic open three days per week and respectfully request that lab services continue in our facility on clinic days, specifically Monday, Wednesday and Friday.

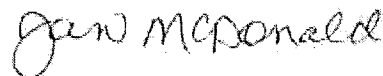

Sincerely,

Vicki Wenger RN NP

Chief Administrative Officer
Joni Swidnicki
Municipality of Oakland-Wawanesa
Box 28
Nesbitt MB R0K 1P0

Dear Dave and Joni,

Co-owners Dale Lyle and Ernie Epp both have numerous years of CAO experience. We understand the impact unexpected events can have on operations. Hiring externally to prepare and submit claims to Disaster Financial Assistance allows for administrative staff to continue to focus on normal activities. Where the total expected DFA claims is over \$16.94 per capita, the costs for us doing the DFA work is fully covered by Provincial funding.

Way To Go Consulting Inc. is pleased to have the opportunity to submit this proposal to you for completion of disaster financial assistance claims for the current 2022 flood event. This proposal provides an outline of responsibilities and a fee for the services proposed.

Deliverables:

- Completion of disaster financial assistance claims for the Municipality.

Scope of Work

- Attend the municipal office to compile documentation needed for claims.
- Communicate with municipal contacts as required to confirm background information on claims.
- Communicate with disaster financial assistance representatives as required to confirm acceptability of claims.
- Prepare claims for submission and deliver to the Municipality.

Additional Expenses

The fee quoted includes the Deliverables and Scope of Work as listed.

Municipality Responsibilities

The RM will ensure that information required to prepare the claims is made available, and will provide for the use of its photocopier/scanner as needed.

Payment for Work Completed

Payment for work completed is due 30 days from date of issuance of invoice and will be billed at the end of each month for the duration of the project.

Fee for Proposed Services

The fee for these services is \$100 per hour and travel costs at the per kilometer rate set by the National Joint Council for each kilometer travelled (this rate is adjusted quarterly, currently \$.515 per kilometer), plus GST, which covers all professional and administrative services outlined in this proposal.

As you are aware, your costs for our services are valid expenses under the disaster financial assistance program and may be claimed. All eligible costs over \$16.94 per capita are 100% reimbursed by the Province, so the costs for Way To Go Consulting Inc. may well be fully covered.

We both have extensive experience in municipal finance and accounting. In addition, with his CGA-CPA designation, and having taught the Municipal Accounting course in the past, Dale can provide the expert financial assistance to help you through the recovery process. It is our goal to record the flood claim to enable you to minimize the net cost to your Municipality. As part of this process we will work to provide ongoing up to date accountings of authorized and unspent balance of claims on a per site basis. We believe our strong understanding of municipal operations gives us a greater ability to serve you. We recognize the challenges a disaster presents to a municipality's operations, and believe our experience would be beneficial to you.

Thank you for the opportunity to submit this proposal. If the terms of this offer are acceptable please confirm in writing. Should you wish to discuss further please feel free to contact one of us.

This proposal remains valid for 30 days and may be extended upon request.

Sincerely,

Ernie Epp, CMMA

Summary of Qualifications

Dale B. Lyle, CPA, CGA, CMMA, P.Admin.

QUALIFICATIONS

Mr. Lyle has over 35 years of municipal government experience as a municipal consultant, City Manager and Treasurer in various cities, towns and municipalities in Manitoba and B.C., in addition to having spent time in public practice with a national accounting firm. He has extensive experience and knowledge in the areas of local government management, municipal finance, administration, human resource management and the political realities affecting local government. Ten years ago, Mr. Lyle and Mr. Ernie Epp, created Way To Go Consulting Inc. to provide a variety of municipal management and financial services to municipal governments.

Mr. Lyle previously taught the Accounting module and the Administration module, of the Certified Manitoba Municipal Administrator certificate program for the University of Manitoba. He has also prepared and presented workshops on a variety of municipal related topics.

During his tenure as City Manager (CAO) in Portage la Prairie, Mr. Lyle focused on normalizing relations with the Rural Municipality of Portage la Prairie and was instrumental in creating a regional focus on municipal government. During this time the two municipalities moved from a position of minimal regional cooperation to a much more focused regional approach and created planning, landfill, library and recreation districts and entered into the first comprehensive tax sharing agreement in Manitoba.

Following is a sampling of some of the projects Mr. Lyle has completed, or is in the process of completing' over the last three years:

- Over 140 PSAB compliant Utility Rate Studies for submission to the Public Utilities Board of Manitoba;
- CAO and senior municipal staff organization reviews, recruitment and salary range reviews;
- filled in as CAO;
- acted as an amalgamation field consultant for the Province;
- prepared a report on amalgamation of two municipalities; and
- coordinated and filed a variety of Disaster Financial Assistance claims for municipalities.

Dale enjoys being involved in his community and is member of the Board of the Portage District General Hospital Foundation, Southport Aerospace Corporation and S.A.M. (Service Ability Mobility Inc.) and is past Chair of the Community Foundation of Portage and District and the Manitoba Municipal Administrators Association.

EDUCATION

Advanced Diploma in Public Sector Management, University of Victoria, - 1999

Certified General Accountant - 1985

Certified Manitoba Municipal Administrator – 1981

Summary of Qualifications

Ernie Epp, CMMA

QUALIFICATIONS

Mr. Epp has been working in local government administration for almost 35 years in Manitoba. This has been in various urban centers including one in the north, a rural municipality with high end urban development, and a rural municipality with a mix of rural residential and intensive livestock development. Through this varied experience he has gained knowledge in all areas relating to municipal operations respecting all types of municipalities.

From 1997 to 2014 Mr. Epp's time was spent working in three municipalities, each experiencing significant growth. The municipalities were the Rural Municipality of Hanover from 1997 to 1999, the Rural Municipality of East St. Paul from 1999 to 2002, and the City (Town) of Morden from 2002 to 2014. Over this period of time he developed significant skills in negotiating development agreements, building trust with developers while doing so. This led to annual growth of over 4% in many years and construction in the tens of millions during most of those years, resulting in a significant increased tax base for those municipalities.

Mr. Epp has prepared and presented workshops on municipal policy development, council orientation, and leadership. He has spoken to groups as large as 600 regarding specific experiences in this industry.

Leading up to and following his "retirement" in January 2014, Ernie has provided support to over 100 municipalities and organizations through Way To Go Consulting Inc. in a number of ways, including;

- facilitating Asset Management Readiness Assessment Workshops for the Association of Manitoba Municipalities in 2018;
- filling in as Interim CAO for various municipalities, a number in smaller municipalities where the role of the CAO included significant oversight/involvement in the accounting responsibilities;
- performing accounting responsibilities for municipalities to correct or complete year end, including bank reconciliations covering approximately one year of backlog;
- providing leadership coaching services for CAOs;
- providing recruitment support for filling CAO and other key positions in municipal organizations;
- serving as a mediator for a council that had become dysfunctional due to mistrust, as well as a municipality where staff were not speaking to each other;
- project management of a wastewater facility;
- acting as an amalgamation field consultant, as well as investigating and preparing a report on a municipality in financial difficulty, both for the Province of Manitoba;
- presenting orientations for a number of municipalities following the 2014 and 2018 elections;
- facilitating strategic planning sessions for a number of councils;
- public meeting presentations;
- creating numerous special service levies related to waste and recycling, protective services, and recreation;
- completion of disaster financial assistance claims; and
- giving presentations at various conferences.

EDUCATION

Certified Manitoba Municipal Administrator, Honours – 1990

- **Attended the meeting of the Southwest Caucus and Minister Eileen Clarke, at the Provincial Building in Brandon, to discuss present concerns within our municipalities.**

CHIEF ADMINISTRATIVE OFFICER'S REPORT – May, 2022

Covid-19 Provincial Calls

The bi-weekly calls continue and provide updates on Covid-19 related material as well as updates from other provincial departments.

Property Matters

A proposed conditional use application for an intensive livestock operation has been withdrawn. There are other conditional use and variation applications being considered. There have been enquiries on subdivision applications.

Meetings with Members of Council

Discussions continue with members of Council either in person, over the phone, or by email.

Conferences and Conventions

I attended the Association of Manitoba Municipalities Annual Convention April 19 to 21 at the Keystone Centre. This included the Mayor/Reeves/CAO meeting and workshops including Council Decorum, Demystifying the Municipal Board, Manitoba Municipal Relations Bill 25 and Elections Preparation, Abuse Policy and Protocols, Engaging and Retaining Employees and Workplace Investigations and Whistle-blower Hotlines.

I attended the Manitoba Municipal Administrators Annual Convention April 25 to 27 at the Victoria Inn. This included sessions on "What Really Happens When the Lights Go Out", CAO/Council Relationships, Readyng Your Workplace for Retirement, and Labour Law.

Election Information

Made adjustments to the Voter's List as a result of the Ward Boundary changes.

Preparing the Election Flyer to be distributed to residents by the end of May.

J. Swidnicki
Chief Administrative Officer

FINANCE OFFICER'S REPORT – MAY 2022

- I attended the Association of Manitoba Municipalities Annual Convention April 19 to April 20, 2022, at the Keystone Centre in Brandon. This included the education workshops, Demystifying the Municipal Board, Spotlight on Manitoba Ombudsman's Work, and the Women in Municipal Government Breakfast.
- I attended the Manitoba Municipal Administrators Annual Convention April 26 to April 27, 2022, at the Victoria Inn in Brandon. The theme for the conference was Agents of Change. I attended workshop sessions on Labour Law, and PUB. The keynote presentation on Humour, Resilience and Change was excellent. I also received my certificate for completion of the CMMA program at the graduation banquet.
- The Tax Sale process continues for the three rural properties. The Notice of Tax Sale has been registered with Land Titles and a lien registered against the properties.
- I updated our Tax Program so that it is now up-to-date as of the end of April 2022 with LTO/Transfer of Land information from the MMO site.
- Year end work continues. Sensus auditors' onsite year end audit was cancelled due to weather. We took a lot of files and documents to their office for their examination there. Collection of follow-up information is ongoing. I am expecting follow-up requests for information for the Souris River Rec year end audit as well.
- I spent a lot of time answering questions and gathering information for the auditor for the LCGA for the Rink Lottery.
- A lot of time was also spent reconciling reports and processing funds received on-line for upcoming camping and swimming lessons.

Elaine McGregor
Finance Officer

Public Works Report

Submitted by Darcy Ketsman

Public Works Ongoing

- Graders are out grading roads
- Gravel truck is in operation and has started spreading
- Gravel Pits are registered and approved
- Gravel crushing slated to start week of May 30th
- Pumping operations to de-water gravel pit slated to start week of May 16th
- 3-year pesticide permit approved and received
- Operations and maintenance manual for the Wawanesa water treatment plant nearing completion
- Water meter audit is in progress and about 80% completed

Municipal Water Wells

- No issues to report

Transfer Stations

- No issues to report

Nesbitt Maintenance Shop

- No issues to report

Wawanesa Office

- Tree/stump from back office removed
- Gravel spread to make back parking lot

Equipment

- Rental gravel truck picked up
- Volvo loader, forks and coupler adaptor sold at the Ritchie Auction
- Mobile Generator getting serviced
- JD grader is at Brandt Wpg and insurance repairs are in progress

Wawanesa Public works Report

April 12, 2022

- 52000 gallon daily average except the last four days we are over 60000 gallons a day
- water plant has no issues
- filter plant is working well
- the water levels in the wells are normal for now
- I found our water leak in back lane between 4 and 5 street it dropped our daily use 20000 gallons a day but with the power outages and frost coming out are daily consumption is climbing again so i have been out trying to locate another leak
- we have been filling up our water leak holes trying to make the lanes better
- we will fill a few potholes once we can get some asphalt
- I was in Brandon this month for 3 days attending the mwwa conference for my ceu points
- sewer lift station has no issues

MUNICIPALITY OF OAKLAND-WAWANESA

BY-LAW NO. 26-2022

Being a By-Law of the Municipality of Oakland-Wawanesa
to amend its By-Law No. 14-2021

For the municipal contribution towards the renovations of the Wawanesa and District
Recreation Centre ice plant as a Local Improvement.

WHEREAS, the Municipality of Oakland-Wawanesa, by its By-Law No. 14-2021, which was authorized by Municipal Board Order No. E-22-009, is inter alia, authorized to issue borrowing in the amount of \$75,000.00;

AND WHEREAS, no borrowing as authorized by said By-Law No. 14-2021 has been issued or sold;

AND WHEREAS, the Municipality of Oakland-Wawanesa has made arrangements to borrow from RBC Royal Bank of Canada in the amount of \$65,793.70, being the costs of works completed under the authority of By-Law No.14-2021, such borrowing to be dated December 31, 2021, to bear interest at the rate of 2.70% per annum, payable annually during their currency, and to mature on December 31 in each of the years 2022 to 2024;

AND WHEREAS, it is deemed expedient to amend said By-Law No. 14-2021 to provide for the issuance of the aforesaid borrowing.

NOW THEREFORE, the Council of the Municipality of Oakland-Wawanesa, in council duly assembled, hereby enacts as follows:

1. **THAT** By-Law No. 14-2021 of the Municipality of Oakland-Wawanesa **BE AND THE SAME IS HEREBY AMENDED** to provide that borrowing in the amount of \$65,793.70, be issued to cover the costs of works completed thereunder; such borrowing to be dated the 31st day of December, 2021, to bear interest at the rate of 2.70% per annum, payable annually during their currency; and to mature in accordance with the maturities set out in Schedule "A" hereto on the 31st day of December in each of the years 2022 to 2024, both inclusive.
2. **THAT** the issue of the said borrowing provides financing for all costs of works completed under authority of By-Law No. 14-2021, and the balance of \$9,206.30 of authorized borrowing which will not be required or used is hereby cancelled.
3. **THAT** Schedule "C" to said By-Law No. 14-2021 be cancelled, and Schedule "C" be substituted therefor.

DONE AND PASSED by the Council of the Municipality of Oakland-Wawanesa in Council duly assembled this _____ day of _____, A.D. 2022.

THE MUNICIPAL BOARD OF MANITOBA

DECISION AND ORDER

DECISION DATE: April 19, 2022

Order No. E-22-071

File No. 21E8-0038

PANEL: Diane Stasiuk, Vice Chair
Tom Raine, Member

MUNICIPALITY OF OAKLAND-WAWANESA - BY-LAW NO. 26-2022

The Municipality of Oakland-Wawanesa (the "Municipality") submits By-law No. 26-2022 (the "Proposed By-law") under Section 147(2) of *The Municipal Act* for the Board's review and approval. The Proposed By-law was received on April 8, 2022.

The Proposed By-law attached as Appendix "A", provides for the issuance of a debenture in the amount of \$65,793.70 to the Royal Bank of Canada to cover the costs for a capital contribution towards the renovations of the Wawanesa and District Recreation Centre ice plant, completed under authority of By-law No. 14-2021 as a Local Improvement.

By-law No. 14-2021 was previously authorized by Municipal Board Order No. E-22-009 in the amount of \$75,000.00 at 2.5% interest over a 3-year period. The debenture is over a 3-year period at an annual interest rate of 2.70%, an increase of 0.20%.

The borrowing is to be dated the 31st day of December, 2021 payable annually during their currency, and to mature in accordance with the maturities set out in Schedule "A" attached to the Proposed By-law on the 31st day of December, in each of the years, 2022 to 2024, both inclusive. No further debentures will be issued, and the remaining balance of \$9,206.30 of authorized borrowing is to be cancelled.

The Proposed By-law amends By-law No. 14-2021 approved by Municipal Board Order No. E-22-009.

THE MUNICIPAL BOARD OF MANITOBA

Order No. E-22-071

File No. 21E8-0038

MUNICIPALITY OF OAKLAND-WAWANESA

BY-LAW NO. 26-2022

Being a By-Law of the Municipality of Oakland-Wawanesa
to amend its By-Law No. 14-2021

For the municipal contribution towards the renovations of the Wawanesa and District
Recreation Centre ice plant as a Local Improvement.

WHEREAS, the Municipality of Oakland-Wawanesa, by its By-Law No. 14-2021, which was
authorized by Municipal Board Order No. E-22-009, is inter alia, authorized to issue borrowing
in the amount of \$75,000.00;

AND WHEREAS, no borrowing as authorized by said By-Law No. 14-2021 has been issued or
sold;

AND WHEREAS, the Municipality of Oakland-Wawanesa has made arrangements to borrow
from RBC Royal Bank of Canada in the amount of \$65,793.70, being the costs of works
completed under the authority of By-Law No. 14-2021, such borrowing to be dated December 31,
2021, to bear interest at the rate of 2.70% per annum, payable annually during their currency, and
to mature on December 31 in each of the years 2022 to 2024;

AND WHEREAS, it is deemed expedient to amend said By-Law No. 14-2021 to provide for the
issuance of the aforesaid borrowing.

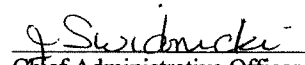

NOW THEREFORE, the Council of the Municipality of Oakland-Wawanesa, in council duly
assembled, hereby enacts as follows:

1. **THAT** By-Law No. 14-2021 of the Municipality of Oakland-Wawanesa **BE
AND THE SAME IS HEREBY AMENDED** to provide that borrowing in the
amount of \$65,793.70, be issued to cover the costs of works completed
thereunder; such borrowing to be dated the 31st day of December, 2021, to bear
interest at the rate of 2.70% per annum, payable annually during their currency;
and to mature in accordance with the maturities set out in Schedule "A" hereto on
the 31st day of December in each of the years 2022 to 2024, both inclusive.
2. **THAT** the issue of the said borrowing provides financing for all costs of works
completed under authority of By-Law No. 14-2021, and the balance of \$9,206.30
of authorized borrowing which will not be required or used is hereby cancelled.
3. **THAT** Schedule "C" to said By-Law No. 14-2021 be cancelled, and Schedule "C"
be substituted therefor.

DONE AND PASSED by the Council of the Municipality of Oakland-Wawanesa in Council

MUNICIPALITY OF OAKLAND-WAWANESA

BY-LAW NO. 29-2022

BEING a By-law of the Municipality of Oakland-Wawanesa to amend Indemnity By-law No. 05-2018.

WHEREAS Section 124(2) of The Municipal Act provides as follows:

Council may set compensation and expenses

124(2) A council may by by-law set the types, rates and conditions of payments to be made to or on behalf of members of the council and council committees, other than the committee of a local urban district:

- (a) as compensation for attending to municipal business;
- (b) for expenses incurred while attending to municipal business;
- (c) for any other purpose relating to municipal business that the council considers appropriate.”

AND WHEREAS subsection 124(3) provides as follows:

“A member of a council or council committee may be paid and may accept an amount paid under a by-law passed under subsection (2)”;

AND WHEREAS it is deemed expedient and in the best interest of the corporation to amend Indemnity By-law No. 05-2018 related to annual increases;

NOW THEREFORE the council of the Municipality of Oakland-Wawanesa, in open session assembled, enacts as follows:

1. THAT Indemnity By-law No. 05-2018 be amended in the first paragraph of Section 7 “Review of Indemnities and Per Diems” by adding after the words: Manitoba Consumer Price Index, the words: “unless otherwise determined by Council”.

DONE AND PASSED as a By-law of the Municipality of Oakland-Wawanesa, this day of , 2022.

Dave Kreklewich
Head of Council

Joni Swidnicki
Chief Administrative Officer

MUNICIPALITY OF OAKLAND-WAWANESA

By-law No. 30-2022

BEING a By-law of the Municipality of Oakland-Wawanesa to levy taxes for 2022.

WHEREAS Section 304(1) of The Municipal Act provides that the Council of each municipality must by by-law:

Set a rate or rates of tax sufficient to raise;

The revenue to be raised by property taxes as set out in the operating budget, and

The revenue to be raised in the year to pay for a local improvement on special service and to pay the requisitions payable by the municipality;

Impose taxes

In accordance with the tax rate or rates set under clause (a) on the portioned value of each assessable property in the municipality that is liable under The Municipal Assessment Act to that tax, and

Where the tax is in respect of a local improvement or special service, in accordance with the local improvement or special services by-law, and

Set a due date for payment of the taxes.

AND WHEREAS subsection 346(2) of The Municipal Act provides that "A Council may by By-law

- (a) set a rate, subject to any limitation prescribed by the minister by regulation, at which penalties may be imposed in respect of tax arrears, and
- (b) impose penalties at that rate,

AND WHEREAS the Council of the Municipality of Oakland-Wawanesa has made estimates of all sums required by the corporation for the year 2022, which estimates are attached hereto as Schedule "A" and forms part of this By-law;

AND WHEREAS it is necessary by By-law or By-laws to levy a rate or rates of so much on the dollar upon the assessed value of all rateable property liable therefore in the Municipality as the Council deems sufficient to raise the sums required for the lawful purposes of the corporation as shown by the said estimates;

AND WHEREAS the assessed value of the whole rateable property within the Municipality of Oakland-Wawanesa according to the latest revised assessment roll is \$176,674,500.00 dollars;

AND WHEREAS it is necessary to fix the rates of taxation for the purposes aforesaid and the time for the payment of all rates and taxes so fixed and levied;

NOW THEREFORE the Council of the Municipality of Oakland-Wawanesa in open Council assembled enacts as follows:

ESTIMATES

1. That the Financial Plan of Council of the Municipality of Oakland-Wawanesa of all sums required for the lawful purposes of the corporation for the year 2022 as set forth in Schedule "A" hereto attached and identified by the signature of the Head of Council and the Chief Administrative Officer, is hereby approved, and adopted.

REQUISITION PURPOSES

2. That the following respective rates of so much on the dollar be and are hereby levied for the year 2022 upon the assessed value of all rateable property in the Municipality respectively liable therefore according to the latest revised assessment roll of general and personal property thereof, to raise the sum required for the uncontrollable purposes of the corporation, which said rates, assessed values and sums required are set out in Schedule "A", viz;

- (a) The following respective foundation rates of so many mills on the dollar, levied under Section 184 of The Public Schools Act, shown in Schedule "A", viz;

Farm and Residential – 0.000 mills on the dollar
(ESL) Commercial and Other – 8.713 mills on the dollar

- (b) The following respective special rate of so many mills on the dollar, levied under Section 188 of The Public Schools Act, shown in Schedule "A", viz:

Brandon School Division #40 – 14.370 mills on the dollar to provide for payment of the Special School District Levy.

Southwest Horizon School Division #43 – 9.950 mills on the dollar to provide for payment of the Special School District Levy.

CONTROLLABLE PURPOSES

3. That the following respective rates of so much on the dollar be and are hereby levied for the year 2022 upon the assessed value of all rateable property in the municipality respectively liable therefore according to the personal property thereof, to raise the sums required for the controllable purposes of the corporation, which said rates, assessed value and sums required are set out in Schedule "A" viz:

General Municipal

- (a) That an At Large Rate of 9.518 mills on the dollar be and is hereby levied for the year 2022 upon the assessed value of all the rateable property in the Municipality liable therefore, according to the last revised general and personal property assessment roll thereof to provide for the payment of the amount estimated as required for the general controllable purpose of the corporation.

Debenture Debt Charges and Special Service Levies

- (b) A rate of 1.327 mills on the dollar to be levied against the whole ratable property of Wawanesa Ward 1 in the Municipality of Oakland-Wawanesa to provide for the Lagoon Debenture By-Law (5-16) in the amount of \$34,664.21.
- (c) That a per parcel rate of \$252.25 per parcel be levied against Wawanesa Ward 1 properties, whom have not prepaid, to pay for levies in accordance with By-Law (5-16) for the Lagoon Debenture in the amount of \$75,927.25.
- (d) That a per parcel rate of \$50.00 per parcel be levied for all Wawanesa Ward 1 residential properties with no dwelling units to provide for recreation support services in accordance with By-law No. 05-2019 in the amount of \$1,200.00.
- (e) That a per parcel rate of \$135.00 per parcel be levied for all other Wawanesa Ward 1 properties to provide for recreation support services in accordance with By-law No. 05-2019 in the amount of \$40,500.00.
- (f) A rate of 0.266 mills on the dollar to be levied against all Class 30 properties to provide for 25% of \$67,050.00 for recreation support services in accordance with By-law No. 05-2019.
- (g) A rate of 0.426 mills on the dollar to be levied against all other class of properties to provide for 75% of \$67,050.00 for recreation support services in accordance with By-law No. 05-2019.

- (h) That a per parcel rate of \$25.00 per parcel be levied for all residential properties with no dwelling units to provide for collection and transportation of waste and recyclable materials in accordance with By-law No. 07-2019 in the amount of \$2,575.00.
- (i) That a per parcel rate of \$15.59 per parcel be levied for all Class 30 properties to provide for collection and transportation of waste and recyclable materials in accordance with By-law No. 07-2019 in the amount of \$12,579.15.
- (j) That a per parcel rate of \$94.42 per parcel be levied for all other class properties to provide for collection and transportation of waste and recyclable materials in accordance with By-law No. 07-2019 in the amount of \$71,281.85.
- (k) That a per parcel rate of \$130.57 per parcel be levied on all rural properties in accordance with By-Law No. 01-2021 as amended by By-Law No 09-2021, in the amount of \$56,536.81.
- (l) That a rate of 1.130 mills on the dollar to be levied on all Wawanesa properties in accordance with By-law No. 13-2021 as amended by By-Law No 24-2022, in the amount of \$29,712.08.
- (m) That a per parcel rate of \$59.91 per parcel be levied on all rural properties in accordance with By-law No. 14-2021 as amended by By-Law No 26-2022, in the amount of \$23,126.04.

PAYMENT OF TAXES

- 4. That all taxes and rates imposed and levied in the Municipality of Oakland-Wawanesa for the year 2022 shall be deemed to have been imposed and to be due and payable prior to 4:30 P.M. on the 31st day of October, A.D., 2022. Upon all taxes remaining unpaid after the 31st day of October, A.D., 2022 there shall be added a penalty on the first day of each month and every month thereafter, an amount calculated at the rate of one and one-quarter (1¼%) per centum per month until such taxes are paid or the land sold for arrears of taxes and costs.

DONE AND PASSED by a By-Law of the Municipality of Oakland-Wawanesa by the Council thereof, in open session assembled, this ____ day of ____ A.D., 2022.

Adopted by Resolution of Council

April 7 2020

 (Head of Council)

J. Swidmucki
 (Chief Administrative Officer)

MUNICIPALITY OF OAKLAND-WAWANESA

BY-LAW NO. 31-2022

BEING a By-law of the Municipality of Oakland-Wawanesa to amend Road Opening By-law No. 12-2021.

WHEREAS section 289 of The Municipal Act provides as follows:

"A Municipality may open land for public use as a municipal road by:

- (a) passing a by-law opening the road; and
- (b) registering the by-law and a plan at the appropriate land titles office."

AND WHEREAS the by-law requires amendment with respect to the dates signed and sworn to by the surveyor;

NOW THEREFORE the council of the Municipality of Oakland-Wawanesa, in open session assembled, enacts as follows:

1. THAT Road Opening By-law No. 12-2021 be amended in Clause 1 by deleting therefrom the dates of October 21, 2020 and November 21, 2020 and replacing therefor the dates of April 8, 2022 and April 21, 2022

DONE AND PASSED as a By-law of the Municipality of Oakland-Wawanesa, this day of , 2022.

Dave Kreklewich
Head of Council

Joni Swidnicki
Chief Administrative Officer

Read a first time this 5 day of May, 2022.

Read a second time this day of May, 2022.

Read a third time this day of May, 2022.

MUNICIPALITY OF OAKLAND-WAWANESA

By-law No. 12-2021

BEING A BY-LAW of the Municipality of Oakland-Wawanesa to open a municipal road.

WHEREAS section 289 of The Municipal Act provides as follows:

"A Municipality may open land for public use as a municipal road by:

- (a) passing a by-law opening the road; and
- (b) registering the by-law and a plan at the appropriate land titles office."

AND WHEREAS it is deemed necessary and desirable to open a municipal road over, upon and across the lands in SW¼ Section 26, Township 7, Range 17 WPM hereinafter described ;

NOW THEREFORE the council of The Municipality of Oakland-Wawanesa enacts as follows:

1. THAT a municipal road be and here opened and established over, upon and across the lands described as follows:

All that portion of the public road shown across part of the SW26-7-17WPM as shown on a plan prepared by Stephen Bradley Richmond, Manitoba Land Surveyor, on the 21st of October, 2020, and sworn to by him on the 27th of November, 2020.

And the said lands are hereby dedicated to the public for that purpose.

2. THAT the said plan of survey is hereby adopted and approved, and the Chief Administrative Officer is authorized and directed to endorse the aforementioned plan of survey for identification, placing thereon her signature, under the corporate seal of the municipality, together with a reference to this by-law.

DONE AND PASSED by Council in meeting duly assembled this 28th day of September, 2021.

Subject: Ukrainian refugees

I was in contact with Warren Ellis regarding his inquiry about Ukrainian refugees. He feels that the numbers fleeing Ukraine could swell to overwhelm the current surplus of available sponsors and I think that is entirely possible. He and I are starting some preliminary research into the steps required to sponsor a person or group.

Along with reading government information online , we are curious if anyone has information on local (Brandon?) groups that may be doing the same thing. I'm thinking Ukrainian church groups or community groups. We think we could learn from their experience or perhaps support their efforts. As well, should anyone come to our municipality, knowing people in the area who know the language and culture would definitely be a benefit. Warren has a contact in Dauphin but I think closer contacts would be better.

Any input or suggestions are welcome.

Shaun

Subject: Help Ukraine

Good Afternoon,

This is to advise that Council, at its meeting held this morning, received your communication dated March 16, 2022 with respect to the above.

Members of Council will be attending the Association of Manitoba Municipalities convention in Brandon next week. The Association has been coordinating efforts with respect to aid for the Ukraine. It is anticipated that an update will be provided at the convention, following which, Council will have a better understanding of the need, and will place a resolution on the agenda for May 17.

Thank you for bringing this matter to the forefront and we will keep you apprised of any assistance that can be offered.

Joni Swidnicki, CMMA (Hons)

May 5, 2022

Dear Sir or Madam:

Sipiweske Museum is currently preparing for it's 31st tourist season. Each year we enjoy approximately 900 visitors from all areas of the province, Canada and even a few international guests. We are proud to tell some of these visitors their admissions to the museum have been sponsored by local service clubs and area businesses such as yours.

Unfortunately, for the Tourist Season 2021, Covid-19 played a significant factor in our attendance of visitors to the Sipiweske Museum, and as such, has also impacted our fundraising activities that we have provided each Friday starting the last Friday of June and culminating the first Friday of September via Burger Days & Pie Days. Fundraising activities such as the Burger Days help to offset operating costs of the museum throughout the year

We hope that you will consider participating in the Free Tuesday program this year, with a donation of \$25.00, you may sponsor general admission on "Free Tuesday". Please also consider submitting a general donation in lieu of Free Tuesday program sponsorship. Any donation to the Sipiweske Museum is gratefully appreciated.

We thank you for your support in the past and look forward to hearing from you this year. Your generous donations make Sipiweske Museum an attraction all can enjoy. We will acknowledge our sponsors in the upcoming Lioness Paper.

Thank you so much for your kindness and consideration of our Sponsorship program. All donations are gratefully appreciated and ensure the Sipiweske Museum successful operation for future generations to enjoy!

Best Regards,

A handwritten signature in cursive script that reads 'Michelle Sowiak'.

Subject: Prohibit Engine Retarder Brakes

Good afternoon, I was wondering what the process is to prohibit engine retarder brakes coming into Wawanesa? The two hills coming in are not that big and the speeds are slow enough that they do not need to be used, this is coming from someone that has driven the roads in a 75 tonne vehicle. In my early morning walks and night walks if a semi is coming in and they use their retarder brake it is rather noisy in the town. With all the extra semi traffic due to the gravel hauling it just seems to be a game to some of the drivers to create as much noise coming into Wawanesa as they can. I am not the only one that has mentioned this and it is a simple fix to make the outdoors more enjoyable without listening to that noise. If you can please let me know the process so that we can see about getting this drafted. I see lots of municipalities enacting this ban.

Thanks
Cory Brown

Subject: RE: Proposed Xplornet Project

Joni,

I've reviewed the construction drawings for Explornet Hayfield North project and have a few comments.

Under general notes;

- 8. UNLESS OTHERWISE SHOWN, ALL CONDUIT TO BE INSTALLED 0.8m FROM ADJACENT PROPERTY LINE.
 - Any proposed deviations outside of the 0.8m shall be confirmed in person onsite with the Public Works Manager and installation crew prior to install of the conduit.
- 18. WHERE THE PROPOSED ALIGNMENT INTERSECTION AND CROSSES A CULVERT/DRAINAGE STRUCTURE, A ~~PLOUGHING METHOD OF INSTALLATION MAY BE USED IF THE DEPTH OF COVER IS 3.0m OR GREATER ABOVE THE TOP OF THE STRUCTURE. IF THE DEPTH OF COVER IS LESS THAN 3.0m,~~ A DIRECTIONAL DRILLING METHOD OF INSTALLATION SHALL BE REQUIRED AND THE PROPOSED INSTALLATION MUST PASS A MINIMUM OF 2.0m UNDER THE BOTTOM OF THE STRUCTURE. THIS DEPTH SHALL EXTEND A MINIMUM OF 10.0m IN EITHER DIRECTION OF THE CULVERT/DRAINAGE STRUCTURE. THE DEPTH OF COVER IS TO BE DETERMINED IN THE FIELD BY THE OWNER (OR DESIGNATE) OF THE UTILITY.
 - No fiber optic shall be installed over top of any culvert or drainage structure as this presents issues in the future for removal or repair of the above mentioned infrastructure.
- 22. ALL SERVICES SHOWN TO BE RUNNING PARALLEL WITH A HIGHWAY or MUNICIPAL RIGHT OF WAY ARE TO BE INSTALLED AS NEAR TO THE PROPERTY LINE AS POSSIBLE.
 - Any proposed deviations outside of the 0.8m from property line shall be confirmed in person onsite with the Public Works Manager and installation crew prior to installation of the service.

Other than what I've noted above I have no other concerns.

Subject: Proposed Xplornet Project

Hello Joni,
Good morning!

We are involved in Xplornet's proposed fibre optic build, part of which goes through the Municipality of Oakland-Wawanesa.

Please see attached the proposed plans. Let us know if there are any concerns with the proposed alignment inside Municipality-owned boundaries or if any changes need to be made.

We would like to obtain some form of formal approval for this, so when the plans are approved (with any necessary changes being completed), please send either an email or letter stating the RM's approval for the proposed works.

Best regards,

We are involved in Xplornet's proposed fibre optic build, part of which goes through the Municipality of Oakland-Wawanesa.

Please see attached the proposed plans. Let us know if there are any concerns with the proposed alignment inside Municipality-owned boundaries or if any changes need to be made.

We would like to obtain some form of formal approval for this, so when the plans are approved (with any necessary changes being completed), please send either an email or letter stating the RM's approval for the proposed works.

Best regards,

Felipe Vaz

Subject: Graduation

Hi Norma .. can you please forward to whomever might be representing the Municipality at Grad.
please and thank you
Maureen

Sponsors:

We are reaching out today to update you on some details regarding our Graduation plans.
You are invited to the Graduation Ceremony on Monday, June 27 at 4:00 p.m. at the school parking lot (weather permitting).

Presentations of our diplomas and awards will done by school staff.

Sponsors are invited to join the Grads at their banquet at the Centennial Hall at 6:00 p.m.

Banquet tickets are a gift to you from the graduates.

Can you please confirm the banquet tickets (you and a guest) by Friday, May 6 so we can secure the plates with the caterers.

Thank you for your support of Wawanesa School Grads.

Maureen

Subject: Safety

I walk most mornings on a section of PR 340 in the area of Government Rd , in the area where there are numerous walkers some with kids in strollers with a dog or whatever.

The traffic speed gets faster until we see some police presence and when the speed reader works , the speed reader was out a few days back but appears to be working today.

I believe safety concerns are addressed by police much better when the request comes from the town or municipal administration , so I will leave it there.

thanks

Dan Gullett

Subject: Refund Request

Attention: Council of the RM of Oakland/Wawanesa

Due to the lack of snow clearing in the town of Carroll we made a decision to remove the snow and blow out the street (2nd Ave) seven (7) times this winter. As well as the intersection of 2nd ave and 6th street and the portion of 6th street going north.

We had no choice as we needed to get out for work and family reasons. The main Carroll road was plowed by the department of highways so we plowed to meet that road.

Also: the grader operator tore up our sod and gravel on the southeast corner of our property. He peeled it back about 4 ft. This will require some work and repair, which we will look after.

We are proposing a refund on our October Taxes in the amount of the levy for the Wawanesa Rec Centre? This amount is about \$175.

Please confirm with us if this is possible.

Thank you for your consideration in this matter.

Have a good meeting.

Del and Terry Winters

Hello Everyone,

Thank you to the municipalities that have made a proclamation for National Public Works Week starting this Sunday on May 15th, 2022. If you haven't made a proclamation yet there is still time to do so. Please send your proclamation back to me and I will post it on the National Site.

Also our Canadian Public Works Annual golf tournament is coming up on June 2nd at Bridges golf course. If you would like to enter please fill out the form and send it back to me. The money we raise goes to our Red River College Polytech Scholarships.

Steve Blayney, Past President
CPWA, Manitoba Chapter

CANADIAN PUBLIC WORKS ASSOCIATION

ASSOCIATION CANADIENNE DES TRAVAUX PUBLICS

MANITOBA CHAPTER

3-212 Henderson Highway, Suite 137, Winnipeg MB, R2L 1L8

Hello to all Association of Manitoba Municipalities members,

First of all I want to thank those who stopped by our booth at the convention trade show. It was great to meet members of the public works profession across the province. We have gotten a real sense of the challenges you face and how our association can bring resources to your areas to support all roles in your municipalities.

I want to make all of you aware of some upcoming events and where you can reach us for support.

The National Public Works Week is coming up May 15 – 21, 2022. Have you made your proclamation yet? If not see the links for information on how to do so (just click on the picture below). Also let us know what you plan for activities as our chapter also has awards along with the APWA/CPWA. You will also be mentioned in the Roadrunner Magazine's next issue.

The Chapter Annual golf tournament is coming on June 2, 2022 at Bridges Golf Course. The event is used to raise money for the Chapter's Scholarship Program. The tournament is open to all, members and non-members. Come out for a day of fun and relationship building while supporting a great cause.

The **2022 Mid Canada Snow Conference** coming this fall. Join public works professionals from streets, roads, and transportation departments from your neighbouring provinces and states. You'll find valuable experience and knowledge of snow fighting and winter road maintenance under one roof. The Conference will also feature exhibitors displaying the latest in equipment, materials, and technologies for the 'snowfighters' of the 21st century.

Come and get informed, inspired, and motivated at the Mid Canada Snow Conference!

[2022 Mid-Canada Snow Conference \(cpwa.net\)](https://cpwa.net)

These are a few of the major happenings in the Chapter and APWA. I invite you to look at becoming a member in the association which provides you access to extensive resources and discounts to educational events. Click on the logo below for more information.

I invite you to visit our website and twitter page for information on the chapter and upcoming events.

Feel free to reach out to myself or other board members if you have questions or need more information.

Sincerely,

Randy Pitz, CMC

President, Manitoba Chapter

Canadian Public Works Association

National Public Works Week

May 15–21, 2022

“Ready and Resilient”

Provincial/Territorial Proclamation

WHEREAS, public works professionals focus on infrastructure, facilities, emergency management, and services that are of vital importance to sustainable and resilient communities and the public health, high quality of life, and well-being of the people of Manitoba; and Municipality of Oakland-Wawanesa,

AND WHEREAS, these infrastructures, facilities, and services could not be provided without the dedicated efforts of public works professionals, who are first responders, and the engineers, managers, and employees at all levels of government and the private sector, who are responsible for rebuilding, improving, and protecting our nation’s transportation, water supply, water treatment and solid waste systems, public buildings, and other structures and facilities essential for our citizens;

AND WHEREAS, it is in the public interest for the citizens, civic leaders, and children in Manitoba; and Municipality of Oakland-Wawanesa to gain knowledge of and maintain ongoing interest and understanding of the importance of public works first responders and public works programs in their respective communities;

AND WHEREAS, the year 2022 marks the 62nd annual National Public Works Week sponsored by the American Public Works Association;

THEREBY BE IT RESOLVED that the Municipality of Oakland-Wawanesa hereby designate the week May 15–21, 2022, as National Public Works Week and urge all citizens to join with representatives of the American Public Works Association/Canadian Public Works Association and government agencies in activities, events, and ceremonies designed to pay tribute to our public works professionals, engineers, managers, and employees and to recognize the substantial contributions they make to protecting our national health, safety, and quality of life.
