Formal objection of both proposed special levies

RECEIVED
JAN 15 2020

Attention: Council of the Municipality of Oakland Wawanesa

On behalf of the Carroll Memorial Hall, we would like to submit a formal objection of the application of the proposed special levies being applied to our properties. The Hall is the registered owner of three lots in the village of Carroll, all recognized as institutional property which are normally exempt from property taxes. One property is the hall itself, the second is an adjacent bare piece of land used as a parking lot, and the third is a large property known as the ball diamonds.

The Carroll Memorial Hall is a non-profit organization working hard to maintain a community facility available for rentals and community events. The Hall puts on several fundraisers a year to help maintain the building, pay the ever-increasing hydro bills, and cover the insurance for the Hall, including liability insurance covering all three properties.

In 2002 the RM handed over the ownership of the Ball Diamonds to Hall board, absolving the RM of any responsibilities regarding liability or maintenance. However, prior to amalgamation the RM did still mow the ball diamonds a couple times during the summer to help reduce risk of fire and increase the appeal to potential users.

The Board and directors of the Hall feel that adding these special levies, especially to the bare land, is unfair as no garbage will be produced on the bare land. Please reconsider the application of these special levies on the Carroll Memorial Hall properties and any other institutional properties in the municipality.

If you have any further questions regarding this objection, please feel free to contact myself or any other hall committee member.

Yours Truly

Gwen Ginter

Treasurer, Carroll Memorial Hall

January 08 , 2020

Oakland / Wawanesa Council all;
Chief Administrative Officer

The trustees and executive members of the Wawanesa United Church have reviewed the two special levies proposed and to be heard by public hearing January 20 , 2020.

The Wawanesa United Church of Wawanesa are in agreement with the special vevy on waste and or recyclable materials.

The Wawanesa United Church however does question the levy on recreation as several members of our congregation feel

the special levy on the church property is excessive as members will already be paying the special levy on personal property.

The United Church of Wawanesa do however very sincerely support the work and effort and forward thinking of the members

and administration of Oakland / Wawanesa municipal council.

Dan Gullett

Roll # 228 250

Special Service Levy for Collection & Transportation of Waste By Law 07-2019				
This is our written objection to the proposed special levy for the collection & transportation of waste.				
Grounds for Objection - We want fair taxation. Village ratepayers will be paying \$7,177 less and Rural ratepayers will be paying \$19,377 more.				
Keep tax increases within reason and for essential services. Rural ratepayers basically get nothing for services yet				
taxes continue to rise.

Re Special Service Levy for Recreation Bylaw 05-2019				
This is our written objection to the proposed special levy for an assessment rate for recreation.				
Grounds for Objection - We want fair taxation. Village ratepayers will be paying \$28,524 less and Rural ratepayers will be paying \$30,423 more.				
Keep tax increases within reason and for essential services. Rural ratepayers basically get nothing for services yet taxes continue to rise.

SCHEDULE "A"

TO BY-LAW NO. 05-2019

SPECIAL SERVICE PLAN NO. 05-2019 **To provide recreation support services**

Pursuant to section 314 of The Municipal Act

A. Proposed Special Service:

The Municipality of Oakland-Wawanesa wishes to establish a recreation special service levy based on a combined per parcel rate and on assessment for Wawanesa residents only and on an assessment only rate for the remainder of the Municipality. The service will include all costs associated with recreation type services (including arena, skating rink, pool, parks and playgrounds, etc.) within the Municipality of Oakland-Wawanesa. The proposed special service by-law is for a 5-year period (2020 to 2024 inclusive).

B. Area of Municipality for Special Service:

The proposed special service will be levied on all taxable, grant-in-lieu and otherwise exempt property within the Municipality of Oakland-Wawanesa with the exceptions of all cemeteries and cairn properties described in the following Roll No.'s: 15500, 18650, 24150, 28800, 50300, 53800, 87500, 94200 and 220000

C. Estimated Cost of Service:

The cost of recreation services was \$105,000 in 2019. The estimated costs of the Special Services 2020 to 2024 are as follows, with annual increases estimated at 2%.

	2020	2021	2022	2023	2024
Estimated Cost	\$107,100	\$109,242	\$111,427	\$113,656	\$115,929

The precise amount for each year will be determined annually by Council through the annual budget set out in the Municipality of Oakland-Wawanesa Financial Plan.

D. Method and Rate of Calculating Special Service Tax

The method of calculating the special service levy will be based on part parcel and part on the portioned assessment values (i.e. mill rate on assessment) as follows:

- i. Per parcel
A \$50 per parcel rate for properties classed as residential with no dwelling units for each of the years 2020 to 2024 on Wawanesa properties only (21 eligible properties)

A \$135 per parcel rate for each of the years 2020 to 2024 on all other Wawanesa properties only (301 eligible properties)
- ii. Assessment
The remainder of the costs will be levied based on the portioned assessed value of all properties in the Municipality of Oakland-Wawanesa, whereby Class 30 (Agricultural) shall bear 25% of the remaining service costs and all other property classes (residential, commercial and otherwise exempt properties) will bear 75% of the remaining service costs.

SCHEDULE "A" (continued)

TO BY-LAW NO. 05-2019

The 2020 budget amount is \$107,100 less \$1.050 (21 Wawanesa residential properties with no dwelling x \$50) and less \$40,635.00 (301 Wawanesa properties X \$135) = \$65,415 (balance to be recovered by a mill rate on assessed value).

Class 30 (farm) will pay 25% of \$65,415 = \$16,353. Based on the 2020 total portioned assessment for all class 30 properties of \$62,734,160, an estimated mill rate of 0.261 will be required in 2020.

All Other property classes will pay 75% of \$65,415 = \$49,061.25. Based on the 2020 total portioned assessment for all other property classes of \$115,305,700 minus the assessment for exempt properties of \$90,025 = 115,215,675, an estimated mill rate of 0.426 will be required in 2020.

Based on the 2020 assessment values, the estimated mill rates will be as follows:

Estimated cost after per parcel rate deducted	2020	2021	2022	2023	2024
	65,415	67,557	69,742	71,971	74,254
Class 30 per parcel (25%)	16,353.75 ÷ 62,734,160	16,889.25÷ 62,734,160	17,435.46÷ 62,734,160	17,992.84÷ 62,734,160	18,563.62 ÷ 62,734,160
Mill rate	0.261	0.269	0.278	0.287	0.296
All other classes (75%)	49,061 ÷ 115,215,675	50,668÷ 115,215,675	52,306÷ 115,215,675	53,979÷ 115,215,675	55,691÷ 115,215,675
Mill rate	0.426	0.440	0.454	0.468	0.483

The special mill rate will be determined according to the Estimated Cost of Service and will be set in the Municipality of Oakland-Wawanesa annual Financial Plan.
