Fw: Hearing - Adams

From Tara Wilkinson <adminassist1@oakland-wawanesa.ca>

Date Mon 2026-08-10 3:07 PM

To Joni Swidnicki <cao@oakland-wawanesa.ca>

This was my email with Brady this morning. I did leave Kirby a voicemail advising to reach out to Keystone Planning directly to let them know "officially" she is withdrawing her application.

Hey guys,

I just wanted to check in and make sure you are aware that the Adams have changed plans and no longer want to proceed with the application and public hearing. They were in our office on Friday to let us know.

Thanks!

CHIEF ADMINISTRATIVE OFFICER'S REPORT – August, 2026

Provincial Conference Calls

The conference call with the Province was Thursday, August 13, 2026.

Property Matters

Land transfer documents have been signed by the Municipality for the purchase of lots in Rounthwaite. Action will continue once the owner has signed with the solicitor.

The solicitor has finalized documents for the transfer of lots in Carroll.

I have been working with the solicitor related to the transfer of property located in Nesbitt to the Municipality.

Property matters at Lot 8, Brandon Hills Mobile Home Park is ongoing – awaiting word from the Public Trustee on whether or not there is a mortgage registered with a bank on the property. This item may have to come back to Council for further discussion.

I have been working on a potential addendum to an existing agreement for property in Wawanesa. Meetings have taken place with the property owner and potential affected property owners. More information to follow in the next month or two.

Discussion with solicitor on easement agreements for drainage over private property.

Meetings with Members of Council

Discussions continue with members of Council either in person, over the phone, or by email.

Other Meetings and Conferences

Quiet over the summer.

Public Works Shop Debenture

Awaiting the Order from The Municipal Board.

INTRODUCTION

The Council of the Municipality of Oakland-Wawanesa (the "Municipality") proposes By-law No. 48-2025 (the "Proposed By-law") to authorize the expenditure and borrowing of money for building a new Public Works Shop (the "New Shop") in the community of Nesbitt as a Local Improvement (the "Proposed Project"), and to undertake related borrowing pursuant to Part 10 of *The Municipal Act* (the "Municipal Act").

The total estimated cost of the Proposed Project is \$900,000.00 (the "Total Cost"). The Municipality proposes to borrow the Total Cost over a 10-year period at an estimated interest rate of 7.0% (the "Proposed Borrowing").

The annual debt payment of \$128,139.75 will be recovered by a per parcel rate of \$76.83 on all taxable, grant-in-lieu, and otherwise exempt properties within the Municipality, excluding cemeteries and cairn properties.

Objections to the Proposed By-law were filed with The Municipal Board (the "Board"), and a public hearing was held on Friday, May 1, 2026, at the Wawanesa & District Community Hall, 202 Fourth Street, Wawanesa, Manitoba (the "Board Hearing").

ISSUE

Whether the Proposed By-law should be approved, with or without conditions, refused, or amended.

LEGISLATION

The following provisions of *The Municipal Board Act* (the "Board Act") are relevant to these proceedings:

Duty of board

64 In dealing with an application the board shall consider

- (a) the nature of the work, undertaking, or object proposed;
- (b) the necessity or expediency thereof;
- (c) the financial position of the local authority; and
- (d) any other relevant matters;

and may refuse the application or require the local authority to vary the application, or may grant the application in whole or in part, or subject to conditions.

The following provisions of the Municipal Act are relevant to these proceedings:

DIVISION 2 BORROWING

Definitions

172 (in part) In this Division,

"**borrowing**" means the borrowing of money, and includes

- ...
(b) borrowing to pay for a local improvement under Division 4 (Local Improvements and Special Services) of Part 10,

- ...
(e) issuing debentures;

Every proposed borrowing to be approved by board

176 A municipality may not make a borrowing unless the council obtains the approval of The Municipal Board before third reading of the borrowing by-law.

Local improvement

311 If approved by by-law, a municipality may undertake, as a local improvement for the benefit of all or part of the municipality,

- (a) the acquisition, development, upgrading or replacement of one or more of the following:
 - (i) sewage collection and treatment facilities,
 - (ii) water supply, treatment and distribution facilities,
 - (iii) waste management facilities,
 - (iv) highways,
 - (v) drainage systems; or
- (b) any other project the cost of which includes a capital component.

Basis for calculating taxes

316(1) Local improvement taxes or special services taxes must be calculated on the basis of one or more of the following:

- (a) the portioned value of assessable property that is real property;
- (b) the annual rental value of premises as assessed for the purpose of a business tax;
- (c) an amount for each unit of area of the lands benefited by the improvement or service;
- (d) an amount for each unit of frontage of the lands benefited by the improvement or service;
- (e) an amount for each business;
- (f) an amount for each parcel of land

Requirements before third reading

320(4) Before giving third reading to a proposed by-law to approve a local improvement plan or special services proposal, a council must

- (a) give notice to each person who filed an objection under subsection 319(1) of its intention to give third reading, and of that person's right to object under subsection (5); and
- (b) submit the by-law to The Municipal Board for its review and approval.

Taxpayer objection to third reading

320(5) A potential taxpayer under a proposed local improvement or special services by-law may, by filing a notice of objection with The Municipal Board within 30 days after notices are sent under clause (4)(a), object to the by-law being given third reading.

Municipal Board Decision

321(2) The Municipal Board must consider each proposed by-law submitted to it under subsection 320(4) and by written order

- (a) approve the by-law as submitted, with or without conditions;
 - (b) refuse to approve the by-law; or
 - (c) require that the by-law be amended in one or more of the following ways:
 - (i) subject to subsection (3), by adding or removing one or more businesses or properties to or from the businesses or properties to be taxed under the by-law,
 - (ii) by changing
 - (A) the amount or the rate of tax, or
 - (B) the method of calculating the tax,
- to be levied in respect of one or more businesses or properties.

Notice and opportunity to be heard

321(3) Before ordering a change under subclause (2)(c)(i), The Municipal Board must

- (a) direct the municipality to give notice of the proposed change to the potential taxpayers who would be affected by the change; and
- (b) give those taxpayers and the municipality an opportunity to be heard by the Board.

SUBMISSIONS

The Municipality:

Joni Swidnicki, Chief Administrative Officer, and Dave Kreklewich, Head of Council, presented the following on behalf of the Municipality:

- They noted that the duties of the Board under section 64 of the Board Act are to consider:
 - the nature of the work, undertaking, or object proposed;
 - the necessity or expediency thereof;
 - the financial position of the local authority; and
 - any other matters

- They addressed each of the four Board duties as follows:
 - Nature of Work:
 - The construction of the New Shop to replace its existing public works shop as a Local Improvement.
 - The Proposed Project is a capital project that will benefit the entire Municipality.
 - It will house approximately \$1.8 million dollars of municipal equipment.
 - The Municipality worked with the Municipal Finance Officer (the "MFO") to conclude that a debenture in the amount of \$900,000 at an interest rate of 7% for 10 years was sufficient for the Proposed Project. Both the amount and interest rate were believed to be high.
 - Council selected an "amount for each parcel of land" as the method of taxation, as set out in Section 316(1) of the Municipal Act. This allows the option for a property owner to prepay its share of the cost in the amount of \$539.57 or pay an annual charge of \$76.83 per year for 10 years.
 - The size of the New Shop was initially planned to be 80 feet x 100 feet but was reduced to 60 feet x 100 feet following investigation of other similar buildings. The reduced size resulted in considerable savings for items such as roof joists.
 - Five tenders were received for the Proposed Project based on a design build concept, which requires bidders to design the building based on certain parameters set out by the Municipality. The lowest tender was \$833,702. The tender award is subject to the approval of the Proposed By-law by the Board.
 - Necessity or Expediency:
 - The current shop is 60 feet x 50 feet and was constructed in 1964.
 - Replacement of the current shop was contemplated as far back as 2009 when the then Rural Municipality of Oakland applied for a grant to build a new shop but was denied and the project did not proceed.
 - A 2016 fire inspection report concluded that the current shop area was extremely cluttered and recommended the removal of as much unneeded equipment as possible.
 - A 2021 Workplace Safety and Health inspection led to an inventory of asbestos containing material and a subsequent Improvement Order was issued to address the asbestos issue.
 - In 2021 the Municipality passed a borrowing by-law, which was approved by the Municipal Board, to construct a 70 feet x 80 feet shop at an estimated cost of \$600,000.

Tenders came in higher than the approved amount and the project did not proceed.

○ Financial Position:

- The Municipality has a current debt of \$2,482,230.87 which represents 1.187% of its municipal assessment. The Provincial debt limit for a municipality is 7% of its municipal assessment.
- The Province has established a debt servicing limit of 20% of its municipal revenue. In 2025, actual municipal revenue was \$2,978,944.38. Applying the 20% limit to the actual municipal revenue equals \$595,788.88.
- In 2025, the debt servicing costs were \$292,110.53, which included payments for an unissued debenture for a water debenture in the amount of \$1,487,000. Adding in the payment for the debenture for the Proposed Project, the total debt servicing payment will be 9.81% of total revenue.

○ Other Matters:

- As of December 2025, the Municipality has \$145,513.25 in its Building Replacement Reserve Fund and \$254,885.93 in the General Reserve Fund with additional allocations totalling \$100,000 included in the 2026 budget.
- The General Reserve Fund and Building Reserve Fund are funded by an annual budgeted amount.
- Council could allocate funds from either or both reserves to lower the debenture amount.
- The Proposed Project is not expected to be completed until after the municipal election in the fall of 2026 and the current Council did not want to commit a future Council to the final funding formula by committing reserve funds in advance of the completion of the project.
- Financing the Proposed Project on the basis of a per parcel levy is similar to the per parcel levy used to finance Recreation Special Services provided in the Municipality.

Public Presenters:

The Board heard from the following presenters: Brett Hargreaves, Glen Kirby, Dennis Rome, Lonnie Patterson, Rundell Parsons, Scott Walker, Charles Clay Cory and Dave McNish (the "Presenters"). Their presentations can be summarized as follows:

- Generally, the Presenters were not against construction of the New Shop.
- The New Shop should be constructed now, as costs keep rising.
- The Municipality should use some reserve funds to offset the tax.
- The Proposed Project keeps changing. In October, 2025 a presentation

was for an 80 feet x 100 feet building at a cost of \$900,000. Now, the proposal is for a 60 feet x 100 feet building. It is unclear that a building double the size of the current building is necessary.

- There were concerns about the lack of planning for the Proposed Project and failure to establish a specific reserve fund.
- The per parcel levy is not fair to multiple property owners, particularly in the rural area of the Municipality. A farmer that has 11 properties pays \$6,000, while a residential single property owner in town pays \$560.
- The annual payments should be raised by a mill rate levy similar to the general municipal levy.
- A fair way to levy the per parcel tax would be to set a maximum of one lot per property owner that would be subject to the tax.
- The per parcel levy is fair. A property owner with 52 parcels of land pays slightly less than if the costs were borne by a mill rate levy.
- The current shop is adequate and efficiency could be improved to save on heating costs.
- The Municipality should defer the Proposed Project until after the upcoming municipal elections.

Written Objections:

Prior to the Board Hearing, the Board received a total of thirty-two (32) written letters of objection to the Proposed By-law, which were entered as exhibits at the Board Hearing. The objections and comments are summarized as follows:

- The Proposed Project is not appropriate for funding as a local improvement as it does not benefit all the properties in the Municipality.
- The Local Improvement tax is unfair to those that own many parcels of land, compared to those that own one parcel of land.
- The New Shop is unnecessary, and the funds should be used for other purposes. The current equipment fits into the existing shop, and the building should be modified to improve efficiency.
- There was limited information provided to the property owners regarding the scope of the project.
- The Proposed Project does not create a direct benefit to property and should be funded by general municipal taxation, not through a local improvement levy.
- The Municipality's decision to tax all properties suggests that the benefit is general, not specific.
- The Public Notice provided by the Municipality was mailed during a postal strike and taxpayers did not receive the notice within the 21-day requirement.
- The Proposed Project only benefits the Public Works Department, not the taxpayer.
- The per parcel levy should only apply to one parcel per property owner.

- There was no justification of the need for the New Shop provided.
- There was no professional assessment of the existing shop with a repair or replacement analysis.
- Under a previous proposal to build a shop in 2021, the Municipality proposed to use reserve funds and general borrowing to finance the project, not a Local Improvement levy as is proposed in the Proposed By-law.
- The Municipality has abused the use of special taxation levies to fund recreation services, waste transfer stations, and installation of fibre internet services, services that should be provided as part of the general municipal tax.
- There are 1,347 rural properties in the Municipality and 321 properties in the urban area of Wawanesa. The urban area will contribute 19% of the cost of the Proposed Project but has 33% of the Municipality's population.
- The Proposed Project does not equally benefit each parcel, so the use of a per parcel levy is not justified.
- The Municipality proposed to build a new shop in 2021 but did not proceed with the project. In the five years since, there was no significant planning or funds set aside to proceed with the project.
- The New Shop is oversized for the needs of the Municipality. This will lead to increased capital costs for heating and HVAC systems as well as operating costs.
- The projected cost of the New Shop is underestimated.

ANALYSIS AND DECISION

Section 311 of the Municipal Act provides that a municipality may undertake, as a local improvement, for the benefit of all or part of the municipality, any project the cost of which includes a capital component. Section 320(4) of the Municipal Act requires that, before a council gives third reading to a by-law approving a local improvement plan, the proposed by-law must be submitted to the Board for its review and approval.

The number of objections, filed by potential taxpayers, brought the Proposed By-law before the Board for the Board Hearing under Section 321(1) of the Municipal Act. Under Section 321(2) of the Municipal Act, the Board must review each proposed by-law submitted under Subsection 320(4) and, by written order, may approve the by-law with or without conditions, refuse to approve it, or require amendments.

Furthermore, under Section 176 of the Municipal Act, a municipality may not make a borrowing unless the council obtains the approval of the Board before giving third reading to the borrowing by-law.

The Board carefully considered the evidence and submissions filed and presented by those in support of, and opposed to, the Proposed By-law. The Board also reviewed the Municipality's application for approval of the Proposed By-law which included, among other information, documents pertaining to the Municipality's public hearing process and related financial materials and debt analysis.

In making its decision, the Board is required to consider the following matters set out in Section 64 of the Board Act:

1. Nature of the Proposed Project

The Municipality describes the Proposed Project as the construction of a 60 feet x 100 feet public works shop to house municipal equipment in Nesbitt, at an estimated cost of \$900,000. This is intended to be a capital project to replace the Municipality's existing public works shop.

The Board finds that the Municipality adequately explained the nature of the Proposed Project.

2. Necessity and Expediency of the Proposed Project

The Board heard from the Municipality that the current shop was constructed in 1964 and was not efficient both from a space point of view and from a heating point of view. They presented a Fire Safety Inspection Report (the "Fire Safety Report") that lists a number of deficiencies and a Workplace Safety and Health Inspection Report (the "Workplace Safety Report") that led to an improvement order requiring an asbestos control plan. They provided information that pointed to plans to construct a new shop as far back as 2009 and a more recent plan in 2021 that stalled when tenders exceeded the approved financing amounts.

Most of the Presenters agreed that the New Shop was necessary. However, one Presenter was of the opinion that the current shop was adequate and improvements to efficiency would save on heating costs. Most Presenters had no concerns with the size of the New Shop although one Presenter felt doubling the size of the current shop was excessive.

In addition to some of the issues raised by the Presenters, written objectors raised additional issues:

- The Proposed Project is unnecessary and the funds should be used for other purposes such as improving municipal services.
- There was no justification of the need for the New Shop provided nor was there a professional assessment of the existing shop with a repair or replacement analysis completed.
- The New Shop is oversized and will lead to increased capital costs for heating and HVAC systems as well as operating costs.

The Board considered the presentations by the Municipality, the Presenters, and the written objections and finds as follows:

- (a) The Board agrees with the Municipality and most of the public submissions that the New Shop is necessary. This is supported by the Fire Safety Report and the Workplace Safety Report findings. Supporters of the construction of the New Shop also expressed the opinion that the New Shop would be more attractive for the hiring and retention of employees. Objectors expressed their opinion that more detailed studies of functionality of the existing shop were required. However, the Board finds that such further studies would be redundant and be of little value to the Proposed Project.
- (b) The Board struggled with the issue of expediency. The Municipality presented information that points to the issue of construction of a new shop as far back as 2009 and more recently again in 2021, yet its Five-Year Capital Expenditure Plan makes no reference to the Proposed Project. Objectors to the Proposed By-law expressed concern over the lack of planning for the Proposed Project which led to little public input due to lack of awareness. One objector went so far as to suggest that the Proposed Project be deferred until after the next election. The Board agrees with the objectors that the planning process was flawed, but that planning process is a guideline and failure to follow it does not restrict Council's power to approve a project such as this. In addition, the Board is concerned with the findings of Workplace Safety Report and the issues identified in the Fire Safety Report. Both identify issues of immediate concern which justifies proceeding with the Proposed Project as soon as possible.

Based on the foregoing, the Board is satisfied that the Proposed Project is both necessary and expedient.

3. Financial Position of the Municipality

The Municipality testified that tenders had been received for the construction of the New Shop using a design build approach. The lowest tender at \$833,702 has been selected. The costs would be financed by the issue of a debenture repayable over 10 years at an interest rate of 7% annually.

The Board considered the presentation by the Municipality and a report from the MFO (the "MFO Report") regarding the Financial Position of the Municipality.

The Municipality presented that as of December, 2025, the Municipality has \$145,513.25 in its Building Replacement Reserve Fund and \$254,885.93 in the General Reserve Fund.

The MFO Report set out the various ratios that are considered in the review of Municipal Financial By-laws and measured against predetermined limits. The MFO Report notes that according to the Municipality's Five Year Capital Expenditure Program, no additional borrowing is contemplated in the years 2026 - 2030. The MFO Report did not set out what the predetermined limits are nor how the various ratios compared to those limits, but concluded by recommending approval of the Proposed By-law.

The presentation by the Municipality examined two key ratios that are used to determine the borrowing capacity of a municipality – the Total Debt Limit and the Debt Servicing Limit. The Municipality cited a Google search of the limits and found reference to a Province of Manitoba posting that sets the Total Debt Limit at 7% of the total assessment of the Municipality and the Debt Servicing Limit at 20% of the Municipality's annual revenue. According to the Municipality, the Total Debt Limit, not including this application, is 1.187% and the Debt Servicing Limit is 9.81%. By comparison, the MFO Report finds the Total Debt Limit including this project to be 1.56% and the Total Debt Servicing Limit to be 12.6% of the 2025 revenue.

The Board also notes that the authorized debt to municipal assessment ratio and municipal debt charges as a percent of current revenue satisfy the Board's Policy No. 1 Borrowing Guidelines of 7% and 20%, respectively.

The Board accepts the evidence provided by the Municipality and the MFO Report and finds that the borrowing created by the Proposed By-law is well within the financial limitations of the Municipality.

4. Other Relevant Matters

The Board also considered the other concerns raised in the public submissions:

(a) Use of Per Parcel Rate

The annual payment would be levied by an annual per parcel levy of \$76.83. Property owners would have the option of prepaying the levy, in which case no annual levy would be charged. The prepayment amount is \$539.57 per parcel.

Presenters were divided regarding the method of taxation being the per parcel levy. Many felt it was unfair to property owners with many parcels, such as agricultural properties, who would pay much more than property owners with one parcel such as urban residents, and recommended that the costs be borne as part of the general municipal levy or that property owners pay a maximum of one per parcel levy regardless of how many properties they own. However, one Presenter, who owns 52 parcels of land, had done an analysis of the proposed per parcel levy and concluded that he would pay less of the cost on the basis of a per parcel levy than he would if the costs were included as part of the general municipal levy.

In addition to some of the issues raised by the Presenters, written objectors raised additional issues. Objectors disagreed with the undertaking of the Proposed Project as a Local Improvement under the Municipal Act. They felt that the Proposed Project did not provide a direct benefit to property and not all properties benefitted from the Proposed Project. The use of a per parcel tax suggests all properties will benefit equally from the Proposed Project.

Representatives of the Municipality testified that the per parcel levy was selected as the method of taxation as it would allow property owners the option to prepay the levy.

The Board considered the presentations by the Municipality, the Presenters, and the written objections and finds as follows:

- The construction of the New Shop is a project which includes a capital component and thus qualifies under Section 311 of the Municipal Act for consideration as a Local Improvement Project.
- The amount of the borrowing is sufficient to fund the cost of the Proposed Project based on the tender bid of \$833,702.
- Section 316(1) of the Municipal Act provides that a local improvement tax can be calculated on a number of options including on the basis of an amount for each parcel of land. The Council of the Municipality has selected this method of taxation because it provides property owners with an option to prepay the levy and is similar to the manner in which the Municipality funds other municipal services.

Objectors raised valid concerns about the equality of this method of taxation, but the Board finds that the Council of the Municipality has exercised its authority to determine the method of taxation in a fair and open manner and agrees with the per parcel tax as set out in the Proposed By-law.

(b) Use of Reserve Funds

Presenters expressed disappointment in the planning process undertaken by the Municipality, as it was evident that a new shop was needed a number of years ago. A specific reserve fund should have been established and detailed plans prepared and shared with the property owners. One Presenter felt that the Proposed Project should have been deferred until after the coming fall municipal elections.

Presenters were almost unanimous in requesting that the Municipality use some reserve funds to offset the cost of the New Shop, some urging the Board to come to the same conclusion. The Board heard many requests for the Municipality to use some of its reserve funds to finance the Proposed Project.

The Municipality testified that this was considered but it did not want to commit a future Council to using reserve funds for this purpose when the Proposed Project would not be completed before the next general election in the fall. In addition, the use of reserve funds may be necessary should cost overruns be experienced for the Proposed Project. While the Board agrees that the use of reserve funds would be appropriate for this type of project, the Board lacks the jurisdiction to order same.

(c) Public Notice

Objectors noted that the notice of the public hearing by the Municipality ("Public Notice") was sent by mail to property owners during a postal disruption and therefore did not meet the notice requirements.

The Chief Administrative Officer of the Municipality has filed a statutory declaration with the Board attesting to the mailing of the Public Notice on September 22, 2025, which meets the requirements under the legislation. The public hearing by the Municipality occurred on October 21, 2025. Despite the intervening postal disruption, 58 written and oral presentations were made at the hearing. The Board finds that the Municipality met the Public Notice requirements and property owners were notified within a sufficient time frame to prepare for the hearing as evidenced by the significant number of objections filed.

Considering all of the evidence and presentations, the Board is of the opinion that the Proposed By-law should be approved.

THEREFORE, THE BOARD ORDERS:

1. The Municipality of Oakland-Wawanesa By-law No. 48-2025 **BE APPROVED.**
2. A filing fee of \$50.00 be paid by the Municipality of Oakland-Wawanesa.

THE MUNICIPALITY OF OAKLAND-WAWANESA

By-law No. 48-2025

Being a By-law of the Municipality of Oakland-Wawanesa to authorize the Expenditure and Borrowing of money for the building of a new public work's shop in the community of Nesbitt as a Local Improvement.

Whereas, Section 311 of *The Municipal Act*, S.M. 1996, C.58, provides in part as follows:

If approved by by-law, a municipality may undertake, as a local improvement for the benefit of all or part of the municipality,

(b) any other project the cost of which includes a capital component.

And Whereas, subsection 320(1) of *The Municipal Act* provides as follows:

Subject to subsections (2) to (6) and subsections 321(4), a Council may by by-law

(a) approve the local improvement or special service as set out in the plan or proposal; and

(b) authorize the municipality to impose taxes as set out in the plan or proposal.

And Whereas, Section 172 of *The Municipal Act* provides in part as follows:

In this Division,

"Borrowing" means the borrowing of money, and includes

....

(b) borrowing to pay for a local improvement under Division 4 (Local Improvements and Special Services) of Part 10,

....

(e) issuing debentures.

And Whereas, the Council of the Municipality of Oakland-Wawanesa has prepared Local Improvement Plan No. 48-2025 providing for the spending, borrowing authority, and imposition of taxes for the building of a new public works shop in the community of Nesbitt as a local improvement pursuant to Part 10 of *The Municipal Act*;

And Whereas, in order to complete such undertaking, it will be necessary for the Municipality of Oakland-Wawanesa to borrow the sum of \$900,000 as hereinafter provided, which is the amount of the debt intended to be created by this by-law;

And Whereas, the consecutive annual amounts, including principal and interest, required to be raised each year for ten (10) years, as hereinafter provided, for paying the principal and interest under this by-law are the amounts set out in Schedule "A" hereto;

And Whereas, the requirements are prescribed in Sections 318, 319 and 320 of *The Municipal Act* have been complied with;

And Whereas, the amount of the existing borrowing debt of the Municipality of Oakland-Wawanesa is \$2,482,230.87, of which no portion of the principal or of the interest thereon is in arrears;

Now Therefore the Council of the Municipality of Oakland-Wawanesa in open session assembled, enacts as follows:

1. That pursuant to subsection 320(1) of *The Municipal Act*, the Municipality of Oakland-Wawanesa adopt Local Improvement Plan No. 48-2025 attached hereto as Schedule "B".
2. That the Municipality of Oakland-Wawanesa may expend up to nine hundred thousand dollars (\$900,000.00) for the purpose of building a new shop in the community of Nesbitt as a local improvement.
3. That for the aforesaid project, the said municipality may borrow nine hundred thousand dollars (\$900,000.00), such borrowing shall be issued by the Municipality of Oakland-Wawanesa in the Province of Manitoba and shall be payable at the Royal Bank of Canada in Wawanesa, and shall be dated the 31st day of December, A.D. 2025.
4. That the said borrowing shall bear interest at a rate estimated for the time being at 7.00% per annum, and subject in any event to the authorization of The Municipal Board at the time of sale and shall mature in accordance with the maturities set out in Schedule "A" hereto on the 31st day of December in each of the years 2026 to 2035, both inclusive.
5. That the issuance of borrowings shall be signed by the Head of Council, or by some other person authorized by by-law to sign same, and by the Chief Administrative Officer of the Municipality of Oakland-Wawanesa and there shall be affixed thereto the corporate seal of the said municipality.
6. That during the currency of the said borrowing; namely, in each of the years 2026 to 2035, both inclusive, there shall be raised annually by a special per parcel rate on all the rateable property, described in Schedule "C" hereto, an amount sufficient to provide for of the principal and interest requirements hereunder.
7. That pursuant to subsection 174(3)(d) of *The Municipal Act*, pending the issue of the borrowing, the Council of the Municipality of Oakland-Wawanesa may agree with a bank or person or borrow from the general funds of the municipality for temporary advances from time to time to meet expenditures incurred for the purpose aforesaid, and the total of such advances shall not exceed nine hundred thousand dollars (\$900,000).

8. That, at any time prior to or within (30) days following completion of the work, any ratepayer of the area affected by the local improvement as described in Schedule "C" hereto may commute and pay in one principal sum that part of his/her share of the debt herein authorized in respect of the per parcel rate(s) provided herein to the said Chief Administrative Officer of the Municipality and thereafter no per parcel rate(s) shall be levied against his/her said lands in respect of the borrowing to be authorized herein.

Local Improvement Plan No. 48-2025

To build a new Public Work's shop in Nesbitt

Pursuant to Section 311 of The Municipal Act

APPENDIX "A" TO
MUNICIPAL BOARD ORDER
NO. E-26-025

A. Proposed Local Improvement:

The Council of the Municipality of Oakland-Wawanesa is proposing to build a new Public Work's shop in Nesbitt. This new shop will replace the existing shop in Nesbitt. The location will be in the same area as the old shop. The new shop will meet the needs of the larger equipment and will be more heat efficient.

Council wishes to establish a per parcel local improvement tax on the whole municipality for the costs of a new Public Work's shop in Nesbitt. There are 1668 properties.

B. Local Improvement District:

The proposed local improvement district will be all taxable, grant-in-lieu and otherwise exempt property within the Municipality of Oakland-Wawanesa with the exceptions of:

- All cemeteries and cairn properties described in Roll No. 15500, 18650, 24150, 28800, 50300, 53800, 87500, 94200 and 220000.

C. Potential taxpayers under the Plan

Potential taxpayers under the plan are all taxable, grant-in-lieu and otherwise exempt properties within the Municipality of Oakland-Wawanesa as set-out in Schedule C attached hereto.

D. Estimated Cost of Local Improvement

The total estimated cost of the Public Work Shop is: \$ 900,000

E. Method and Rate of Calculating the Local Improvement Tax

The method of calculating the local improvement tax will be based on an amount per parcel of land. The estimate rates will be as follows:

Per parcel rates:

- Cash/ Pre-payment Option: \$539.57 cash (prepay) option

OR

- Finance Option: \$76.83 per year levied for 10 years on property tax statements.

F. Anticipated Sources of Funding

Municipality of Oakland-Wawanesa (borrowing)	<u>\$900,000</u>
Total	\$900,000

G. Particulars of Borrowing

Amount	\$900,000
Term	10 years
Estimated Interest Rate	7.00%
Annual payment	\$128,139.75

H. Annual operation and maintenance costs of the local improvement

Funding of the annual operation and maintenance of the new Public Work's shop will be included in the annual Financial Plan (budget) under Transportation and it is estimated that these costs will be \$15,000.

TO: Members of Council

FROM: Chelsea Long, Public Works Manager

BACKGROUND:

Council has been made aware of ongoing concerns related to the beaver population in the Municipality and at its meeting held July 21, 2026, adopted the following resolution:

BE IT RESOLVED that Administration be directed to research how other municipalities handle concerns related to beaver populations and the blockages caused by beaver dams/lodges.

ACTIONS:

Four municipalities were contacted with the following information provided:

Cornwallis

- Opted to pay a licensed trapper a set price per year to resolve beaver issues
- From June 1 to September 30 – Municipality obtains A Wild Animal Kill Permit (at no cost). This permit is applied for on an as needed basis.

Glenboro-South Cypress

- Initiated a Fifty-Dollar bounty.

Prairie Lakes

- Fifty-Dollar Bounty – Oct 1st and May 31st (provincial permit outside these dates is required by law)
- Proof of a valid trapper's license must be provided annually;
- Trapping authorization must first be obtained from the Prairie Lakes Municipal Offices;
- Proof of landowner permission must be obtained as per the form attached from the current MB Trappers Guide;
- Proof of the removal of each beaver from the authorized area;
- Payment is available upon completion and approval of all above conditions.

Souris-Glenwood

- No beaver concerns therefore no policy created

RECOMMENDATION

BE IT RESOLVED that a licensed trapper be hired for a set price per year inclusive of any necessary permits.

Reeve & Council Members.
Oakland/Wawanesa Municipality.

Dear Members,

Recently one of our friends died. As a token of respect we ordered 3 trees in her memory, this was done through the funeral home.

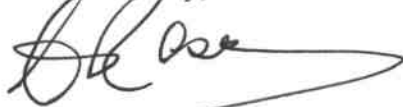

At the time it reminded us that we had no say where the trees are planted, we would be unable to visit them, and there would be no plaque or memorial to designate who they were for.

We do not know if there are any rules or regulations governing this, but it would be far more appropriate if this were done on a local basis. It is very frustrating that members of the community are memorialized somewhere in Manitoba, rather than in their own community.

We can think of numerous locations within the village that would benefit from a few trees being planted. Our sources tell us there are 10 to 12 deaths in the district per year, and we suspect that many would support this project if it were locally administered.

Could council take this over, or appoint some body or individual to act on your behalf?

Yours faithfully,

W. Robert Abell

Margaret E. Abell
