Dear Joni Swidnicki:

**RE: MUNICIPAL BOARD ORDER NO. E-25-003  
MUNICIPALITY OF OAKLAND-WAWANESA - BY-LAW NO. 43-2024 (THE "BY-LAW")  
FILE NO. 24E9-0047**

---

Further to the above-noted matter, this will confirm our recent advice to you of an alleged error in Municipal Board Order No. E-25-003 dated January 10, 2025 (the "Order") that was recently brought to the Board's attention.

After further investigation into the matter, the Board discovered an administrative oversight had occurred regarding the Order in that the number of objections that were filed with the Board were stated incorrectly.

Though the Board's decision approving the By-law does not change, the Order has been corrected to accurately reflect the number of valid and invalid objections which were filed with the Board. Therefore, pursuant to Section 46(3) of *The Municipal Board Act*, the Board has proceeded with the following correction to the Order:

1. On page 1 of the Order:

delete "The Board received no objections to the Proposed By-law." and replace with:

**"The Board received 2 valid objections to the Proposed By-law from potential taxpayers who had a right to object to the Proposed By-law under section 320(5) of *The Municipal Act*.**

**The Board also received additional objections to the Proposed By-law from other potential taxpayers. Those objections were determined to be not valid, however, as the requirements under section 320(4) of *The Municipal Act* had not been met.**

**The Board must, under Section 321(1) of *The Municipal Act*, hold a public hearing on the Proposed By-law if at least 25 or 10% of the potential taxpayers file a notice of objection. As the threshold has not been reached, a public hearing regarding the Proposed By-law will not be held."**

Please destroy the copy of Order No. E-25-003 and replace with the attached corrected Order No. E-25-003(C).

We apologize for any inconvenience this may have caused you.

Yours truly,

THE MUNICIPAL BOARD OF MANITOBA  
**DECISION AND ORDER**

**DECISION DATE:** February 21, 2025

Order No. E-25-003(C)

File No. 24E9-0047

**PANEL:** Diane Stasiuk, Vice Chair

**MUNICIPALITY OF OAKLAND-WAWANESA - BY-LAW NO. 43-2024**

The Municipality of Oakland-Wawanesa (the "Municipality") submits By-law No. 43-2024 (the "Proposed By-law") under Section 320(4) of *The Municipal Act* for the Board's review and approval. The Proposed By-law was received on December 16, 2024.

The Proposed By-law attached as Appendix "A", proposes to levy a Special Services Tax to establish the following rates:

- a) A per parcel rate of \$50.00 to be levied in each of the years 2025 to 2029 on all residential properties with no dwelling units in the Wawanesa area within the Municipality as described in Schedule "B" attached to the Proposed By-law.
- b) A per parcel rate of \$135.00 to be levied in each of the years 2025 to 2029 on all other properties in the Wawanesa area within the Municipality as described in Schedule "B" attached to the Proposed By-law.
- c) An estimated mill rate of \$0.26 mills in 2025 on all Class 30 properties (agricultural land only) within the Municipality. The mill rate levy is expected to raise \$18,698.00 in 2025 up to a maximum of \$20,964.00 in 2029.
- d) An estimated mill rate of \$0.42 mills in 2025 on all other property classes (residential, commercial and otherwise exempt properties) within the Municipality. The mill rate levy is expected to raise \$56,092.00 in 2025 up to a maximum of \$62,891.00 in 2029.

All cemeteries and cairn properties are excluded (Roll Nos: 15500, 18650, 24150, 28800, 50300, 53800, 87500, 94200 and 220000).

The levy is for purposes of a Special Service Plan regarding recreation support services within the Municipality including grants, recreation commission costs to operate the arena and skating rink, swimming pool, community halls, parks and playgrounds, for the years 2025 to 2029, inclusive. The Proposed By-law is meant to replace the recreation services provided under By-law No. 05-2019, which expired at the end of 2024.

The Municipality received 2 objections to the Proposed By-law. The Board received 2 valid objections to the Proposed By-law from potential taxpayers who had a right to object to the Proposed By-law under section 320(5) of *The Municipal Act*.

The Board also received additional objections to the Proposed By-law from other potential taxpayers. Those objections were determined to be not valid, however, as the requirements under section 320(4) of *The Municipal Act* had not been met.

The Board must, under Section 321(1) of *The Municipal Act*, hold a public hearing on the Proposed By-law if at least 25 or 10% of the potential taxpayers file a notice of objection. As the threshold has not been reached, a public hearing regarding the Proposed By-law will not be held.

In dealing with the Proposed By-law, the Board must look at its duty which is set out in Section 64 of *The Municipal Board Act*, which states:

**Duty of board**

64 In dealing with an application the board shall consider  
(a) the nature of the work, undertaking, or object proposed;  
(b) the necessity or expediency thereof;  
(c) the financial position of the local authority; and  
(d) any other relevant matters;  
and may refuse the application or require the local authority to vary the application, or may grant the application in whole or in part, or subject to conditions.

After the review of the Special Service Plan, the Board is satisfied that the Special Service is needed and finds that the Proposed By-law is reasonable and will be approved.

**THEREFORE, THE BOARD ORDERS THAT:**

1. Municipality of Oakland-Wawanesa By-law No. 43-2024 **BE APPROVED.**
2. A filing fee of \$50.00 be paid by the Municipality of Oakland-Wawanesa.

THE MUNICIPALITY OF OAKLAND-WAWANESA

BY-LAW NO. 43-2024

BEING a by-law of the Municipality of Oakland-Wawanesa to establish a rate for a Special Service levy for Recreation services provided within the Municipality, from 2025 to 2029 inclusive.

WHEREAS Section 312 of *The Municipal Act* of Manitoba, provides in part as follows:

312 If approved by by-law, a municipality may provide, as a special service to all or part of a municipality, one of more of the following:

...

(g) recreation support services;

AND WHEREAS subsection 320(1) of the Act provides as follows:

320(1) Subject to subsections (2) to (6) and subsection 321(4), a council may by by-law

(a) approve the local improvement or special services as set out in the plan or proposal; and

(b) authorize the municipality to impose taxes as set out in the plan or proposal.

AND WHEREAS the Council of the Municipality of Oakland-Wawanesa has prepared Special Services Plan No. 1-2024 to establish a special rate for recreation support services within the Municipality as a special service pursuant to Part 10 of the Act;

AND WHEREAS the requirements as prescribed in Section 318, 319, and 320 of the Act have been complied with;

NOW THEREFORE the Council of the Municipality of Oakland-Wawanesa, in open council assembled enacts as follows:

1. That pursuant to subsection 320(1) of the Act, the Municipality of Oakland-Wawanesa approves Special Service Plan No. 1-2024 attached hereto as Schedule "A".
2. That the Municipality of Oakland-Wawanesa levy an annual special service tax upon all rateable properties within the municipality, with the exceptions of all cemeteries and cairn properties described in the following Roll No.'s: 15500, 18650, 24150, 28800, 50300, 53800, 87500, 94200 and 220000, as hereby attached in Schedule "B".

DONE AND PASSED by the Council of the Municipality of Oakland-Wawanesa in Manitoba, in open council assembled this \_\_\_ day of \_\_\_\_\_ A.D. 2025.

**MUNICIPALITY OF OAKLAND-WAWANESA**

**BY-LAW NO. NO. 43-2024**

**AMENDED SCHEDULE "A"**

**SPECIAL SERVICE PLAN NO. 1-2024**

**To provide recreation support services within the municipality  
for 2025 to 2029**

Pursuant to Section 314 of The Municipal Act

**A. Description of Proposed Special Service:**

The Municipality of Oakland-Wawanesa wishes to continue to levy a special service tax for recreation services based on a combined per parcel rate and mill rate (assessment) for Wawanesa residents and a mill rate (assessment) only for all rural properties within the Municipality.

The special service levy will be based on costs associated with recreation services provided within the municipality including grants, recreation commission costs to operate the arena and skating rink, swimming pool, community halls, parks and playgrounds. The proposed special service by-law is for a 5-year period (2025 to 2029 inclusive).

This proposal will replace Special Service By-law and Proposal No. 05-2019 which will expire at the end of 2024.

**B. Special Service Area to be Levied:**

The proposed special service area will be all taxable, grant-in-lieu and otherwise exempt property within the Municipality of Oakland-Wawanesa, excluding all cemeteries and cairn properties described in the following Roll Nos: 15500, 18650, 24150, 28800, 50300, 53800, 87500, 94200 and 220000, hereto attached on Schedule "B".

**C. Estimated Cost of the Service:**

The cost of recreation services was \$107,540 in 2023 (excluding a one-time donation/grant) with \$112,840 budgeted in 2024. The estimated recreation service costs for 2025 to 2029 are as follows, with annual increases up to 2%.

|        | 2025<br>budget | 2026     | 2027     | 2028     | 2029     |
|--------|----------------|----------|----------|----------|----------|
| Grants | \$55,490       | \$56,600 | \$57,730 | \$58,880 | \$60,000 |

|                                     |                  |                  |                  |                  |                  |
|-------------------------------------|------------------|------------------|------------------|------------------|------------------|
| Recreation Commission (Arena/Rinks) | \$41,252         | \$42,075         | \$42,915         | \$43,775         | \$44,650         |
| Community halls/Centres             | \$13,425         | \$13,685         | \$13,955         | \$14,235         | \$14,520         |
| Pool                                | \$5,100          | \$5,100          | \$5,100          | \$5,100          | \$5,100          |
| Playgrounds                         | \$804            | \$820            | \$835            | \$850            | \$865            |
| Total Estimated Cost                | <b>\$116,070</b> | <b>\$118,280</b> | <b>\$120,535</b> | <b>\$122,840</b> | <b>\$125,135</b> |

The precise annual amount will be determined by Council through the annual budget set out in the Municipality of Oakland-Wawanesa Financial Plan.

**D. Method and Rate of Calculating the Proposed Special Service Tax**

The method of calculating the special service levy will be based on an amount per parcel and the portioned assessed value of property. The per parcel and mill (assessment) rates will be as follows:

- i. Estimated Per Parcel Rate (Wawanesa)  
 \$50 per parcel rate on all residential properties with no dwelling units (22 properties)  
 \$135 per parcel rate on all other properties within Wawanesa (297 properties)
  
- ii. Estimated Mill (Assessment) Rate  
 The **remaining costs** will be taxed based on the portioned assessed value of all properties in the Municipality of Oakland-Wawanesa:
  - Class 30 (Farm land) bearing 25%, and
  - all other property Classes (residential, commercial, institutional) bearing 75%:

Based on 2025 budget:

|                     |            |
|---------------------|------------|
| Estimated cost      | \$116,070  |
| Less Per Parcel tax | - \$41,195 |
| Remaining costs     | \$74,875   |

A) Estimated Mill rate (Class 30 - Farm land) – 0.260 mills for 2025

Calculation:  $74,875 \times 25\% = \$18,719$ . Divided by the portioned assessment from the 2025 Preliminary Assessment Roll ( $18,719 / 72,003,420 \times 1000$ ) = 0.260 mills.

B) Estimated Mill rate (all other properties) – 0.420 mills for 2025

Calculation:  $74,875 \times 75\% = \$56,156$ . Divided by the portioned assessment from the 2025 Preliminary Assessment Roll ( $56,156 / 134,112,800 \times 1000$ ) = 0.420 mills.

Overall, a property assessed valued at 200,000 will pay:

**Wawanesa residential with dwelling unit (portioned 90,000):**

**\$135 pp + 54 m/r = \$189.00**

**Rural Class 30 property (portioned 52,000): \$14.00**

Applying the 2025 portioned assessment values, the estimated mill rates for the following years will be:

|                                      | 2025                    | 2026                   | 2027                   | 2028                   | 2029                   |
|--------------------------------------|-------------------------|------------------------|------------------------|------------------------|------------------------|
| Estimated cost after per parcel rate | 74,875                  | 77,085                 | 79,340                 | 81,645                 | 83,940                 |
| Class 30 (25%)                       | 18,698 ÷<br>72,003,420  | 19,250+<br>72,003,420  | 19,814+<br>72,003,420  | 20,390+<br>72,003,420  | 20,964 ÷<br>72,003,420 |

The special mill rates will be determined according to the Estimated Cost and the current year Assessment Roll and will be set in the Municipality of Oakland-Wawanesa annual Financial Plan.

MUNICIPALITY OF OAKLAND-WAWANESA

BY-LAW NO. 46-2025

BEING a By-law of the Municipality of Oakland-Wawanesa to amend Indemnity By-law No. 05-2018.

WHEREAS Section 124(2) of The Municipal Act provides as follows:

**Council may set compensation and expenses**

**124(2)** A council may by by-law set the types, rates and conditions of payments to be made to or on behalf of members of the council and council committees, other than the committee of a local urban district:

- (a) as compensation for attending to municipal business;
- (b) for expenses incurred while attending to municipal business;
- (c) for any other purpose relating to municipal business that the council considers appropriate.”

AND WHEREAS subsection 124(3) provides as follows:

“A member of a council or council committee may be paid and may accept an amount paid under a by-law passed under subsection (2)”;

AND WHEREAS it is deemed expedient and in the best interest of the corporation to amend Indemnity By-law No. 05-2018 related to non-compliance with Code of Conduct sanctions;

NOW THEREFORE the council of the Municipality of Oakland-Wawanesa, in open session assembled, enacts as follows:

1. THAT Indemnity By-law No. 05-2018, as amended, be further amended in Clause 1(a) by adding the following after the second paragraph:

Whereas the Council Members’ Code of Conduct Regulation states: “a member who does not comply with or complete a sanction in the time period required by the council may not carry out a power, duty or function as a member until they do so”.

Therefore any member who has not completed sanctions in accordance with the above shall forfeit the prorated annual indemnity, paid monthly, until such times as the sanctions have been fulfilled.

2. THAT Indemnity By-law No. 05-2018, as amended, be further amended in Clause 2(a) by adding the following after the second paragraph:

Whereas, the Council Members’ Code of Conduct Regulation states: “a member who does not comply with or complete a sanction in the time period required by the council may not carry out a power, duty or function as a member until they do so”.

Therefore any member who has not completed sanctions in accordance with the above shall forfeit the prorated annual indemnity, paid monthly, until such times as the sanctions have been fulfilled.

DONE AND PASSED as a By-law of the Municipality of Oakland-Wawanesa, this 17<sup>th</sup> day of May, 2022.

RE: Asset Management

### **Background**

In 2023, application was made under the Municipal Capacity Building Fund for a grant for an Asset Management Capacity Building Project for Roads & Bridges and Water & Sewer. A grant in the amount of \$49,945.00 was awarded with 50% of the funds being provided in 2023 with an anticipated completion in 2024 at which time, the final funding allocation would be made

A report was provided in 2024 outlining how the funds received have been allocated and requested an extension to December 31, 2025.

The project is to be completed, and funds fully expended by the end of 2025.

### **Action to Date**

The Administration's recommendation in 2024 was to focus on roads, bridges and culverts and Administration undertook some initial discussions with other municipalities and a sample asset risk and condition assessment report on roads and culverts was provided. That sample report provided valuable information on what would be necessary to move the project along.

Staff undertook a review of data already on hand including the Summer Operations Policy, attached, and have determined there are 69 miles of Level 1 roads, 142 miles of Level 2 roads and 41 miles of Level 3 roads. An enquiry has been made with respect to traffic counts and how same is used to determine Arterial, Collector, Local and Seasonal roads. If the numbers are standardized across the country, it will be easy to review the Levels outlined in our Summer Operations Policy to switch to the generally used classifications. Staff are also looking into renting traffic count strips to assist in the process. If the numbers are not standardized, Council will need to determine what numbers best suit this municipality.

While culvert markers have been placed, these were for visual awareness for equipment operators and work is required to pin the GIS location and conduct the assessment of all culverts.

Utilizing the gravel hauling maps as attached, which identifies each road by number (example Road 36) and includes the mile indicator (example 362 – being the second mile on Road 36 from west to east), inputting data into the GCIS system would be simplified. Adding a decimal system could be used to input culvert information (example 362.1, 362.2 for culverts on each mile section of the road) and including N/S or E/W would provide information on both ends of the culvert, should Council decide to use criteria similar to that provided in the sample. A decimal system could also be used if Council wants road assessments done more frequently than on 1 mile stretches.

Administration had also requested documentation/sample evaluations on water and sewer systems, and ultimately, Council's decision was to focus on the water and sewer system. As such, paper drawings of water and sewer maps had been given to the CGIS provider and they have placed a digital layer in the CGIS system which shows water mains, valves and hydrants along with sewer lines and manhole locations. Staff also undertook the necessary work to initiate a debenture program and the Water Services Board is working on the tender documents for the required design study is underway.

### **Next Steps**

Administration will continue to log information into the water and sewer layer to include shut-off valve location and data on the system evaluation based on criteria determined by Council, which will follow in a separate report. By the end of March 2025, \$6,300 of the \$49,945.00 will have been expended on the CGIS component.

To fully utilize the funding allocation received, direction from Council is required to initiate the evaluation of the 69 miles of Level 1 roads and culverts. To build internal capacity to meet the requirements of the grant, a qualified individual will be hired as a casual employee to work with the Public Works Manager on evaluating the Level 1 roads along with inputting the data into the system, so that going forward, Public Works staff can continue with Level 2 and Level 3 roads. Having the roads and culverts evaluated and documented is a large component of completing the next classification in the Asset Management Plan.

### **Administration's Recommendations**

That the focus of the 2025 asset management project be the 69 miles of Level 1 roads and culverts as outlined in the Summer Operations Policy whereby the criteria and process from the sample Asset Risk and Condition Assessment Report be utilized to start the physical process.

That equipment be rented to conduct necessary traffic counts to determine road classifications of the Level 1 roads.

That following traffic counts, a staff person be hired to assess the roads determined as arterial roads within the Level 1 Roads, followed by collector roads.

That Administration work with the current GIS survey equipment and CGIS system to allow for data input as it is collected.

### **TITLE: Summer Operations Policy**

#### **PURPOSE:**

The purpose of this policy is to provide direction and set priorities for summer operations.

#### **PREAMBLE:**

The Municipality of Oakland-Wawanesa is committed to providing summer operations in the most cost and time efficient manner possible to ensure the safety and well-being of residents and staff while adhering to provincial legislation that governs the operation of equipment on public roads and safety and work alone regulations pertaining to staff. The standards outlined in the policy represent the minimum standards deemed appropriate.

#### **DEFINITIONS**

**Developed roads** are those that meet all attributes of the road definition, including improved, constructed, designed and open to public vehicular traffic

**Emergency** means action taken in response to a request from fire, medical or police personnel.

**Public Work Manager's discretion** means at the discretion of the Public Works Manager following necessary consultation with appropriate members of Council and staff and decisions made at the discretion of the Public Works Manager shall be supported by Council.

**Regular Maintenance** means action taken during normal business hours, Monday to Friday, 8:00 a.m. to 5:00 p.m., excluding holidays,

**Road or roadway** means the portion of a public road that is improved, constructed, designed or ordinarily used for public vehicular traffic.

**Summer Operation Period** means the period between April 2nd and Oct 14th.

**Undeveloped roads** are those that may be planned for future development, designated as road allowance, public lanes less than 49ft in width, public trails and other unimproved public roads.

**Weed Inspector** means a person appointed by council as the municipal weed inspector.

The following terms are intended to provide the Municipality with basic guidelines for maintenance on developed road allowances within the Municipality of Oakland-Wawanesa to standards able to safely transport today's vehicular passenger and truck traffic. The Municipality of Oakland-Wawanesa does not establish a maintenance standard for undeveloped roads.

The Municipality of Oakland-Wawanesa classified roads in accordance to service needs and priority. Three tiers of service will be established, designating roads based upon residency, use and road surface design. The follow three categories are to be used;

**Level 1:** High priority, receiving regular maintenance. These roads are associated with high use and heavy traffic

**Level 2:** Secondary priority, receiving periodic maintenance based upon need and request.

**Level 3:** Low maintenance roads.

### **SUMMER GRADING**

**Level 1 Roads:** Level 1 roads will receive regular maintenance at least once every 7 business days. Maintenance intervals may vary based upon weather trends, heavy traffic and spring thaw. These roads would classify as an all-weather road.

**Level 2 Roads:** Level 2 roads will be graded once every 21 business days, one after spring thaw and one prior to winter. Additional blading may be warranted based upon summer conditions and traffic use. These would be all-weather roads but may not have favorable driving condition during poor weather conditions.

**Level 3 Roads:** Level 3 roads are minimal maintenance roads; these will be graded once every 25 business days. These are not deemed all weather roads.

Annually, Council will prepare a list of Level 3 roads scheduled for reshaping and rehabilitation with consultation from the Public Works Manager. Reshaping and rehabilitation will be charged to "Road Repairs Expenditures" and to a maximum annual allotment set by Council. Ratepayers requesting Level 3 roads to be rehabilitated shall do so in writing prior to November 30 to be considered during budget deliberations.

## **LEVEL OF SERVICE**

### **Level 1 roads:**

- Bunclody Road (Rd.114W from Rd.37N to Rd.42N)
- Carrol Road (Rd.41N from Rd.114W to Rd.103W)
- Dunrea Road/Tenterfield Road (Rd.98W from Rd.39N to Rd. 36N)
- Hayfield Road (Rd.46N from Rd.114W to Rd.110W)
- Methven Road (Rd.100W from Rd.48N to Rd.40N)
- Rounthwaite Road (Rd.103W from Rd.48N to Rd.40N)
- Tower Road (Rd.45N from Rd.110W to Rd.107W)
- Treesbank Road (Rd.43N from Rd.110W to Rd.96W)
- Turkey Ranch Road (Rd.44N from Rd.114W to Rd.106W)
- Wawanesa Bypass (Rd.41N from Rd.97W to Rd.99W and Rd.99W from Rd.41N to Rd.40N)

### **Level 2**

- All developed roads that are not level 1 or level 3 roads

### **Level 3**

- All undeveloped roads

Under normal circumstances, graders will maintain on average, eighteen to twenty-two miles of road per day.

There will be no custom or private work undertaken with municipal equipment.

## **WORK PRIORITIES**

Equipment and manpower will be deployed as per the work priorities listed below:

1. Unexpected Road Repairs
2. Grading
3. Gravel reclaiming
4. Scheduled projects/repairs
5. Spraying
6. Mowing
7. Brush trimming

## **REPORTING**

Reporting shall consist of providing weekly data reports to Council and maps outlining roads completed shall be provided to Council and uploaded onto social media sites weekly.

## **SUMMER MOWING**

All Level 1 and Level 2 roads will be mowed twice per year. First pass of mowing will commence in June with the second pass to commence approximately September. Attempts will be made to mow level 3 roads during the 2<sup>nd</sup> pass depending on road conditions and workload.

## **ROADSIDE SPRAYING**

The weed inspector will instruct the public works manager on what date spraying should commence and what chemicals/weeds to spray for, and provide a spraying map highlighting the spray locations. The public works manager will then make arrangements with the spraying contractor and oversee spraying operations.

## **HOURS OF OPERATION AND STAFFING LEVELS**

For safety reasons, operators will be limited a maximum of 12 hours of service.

In adherence to work alone policies, no operator shall work alone.

## **USE OF EQUIPMENT OUTSIDE OF MUNICIPALITY**

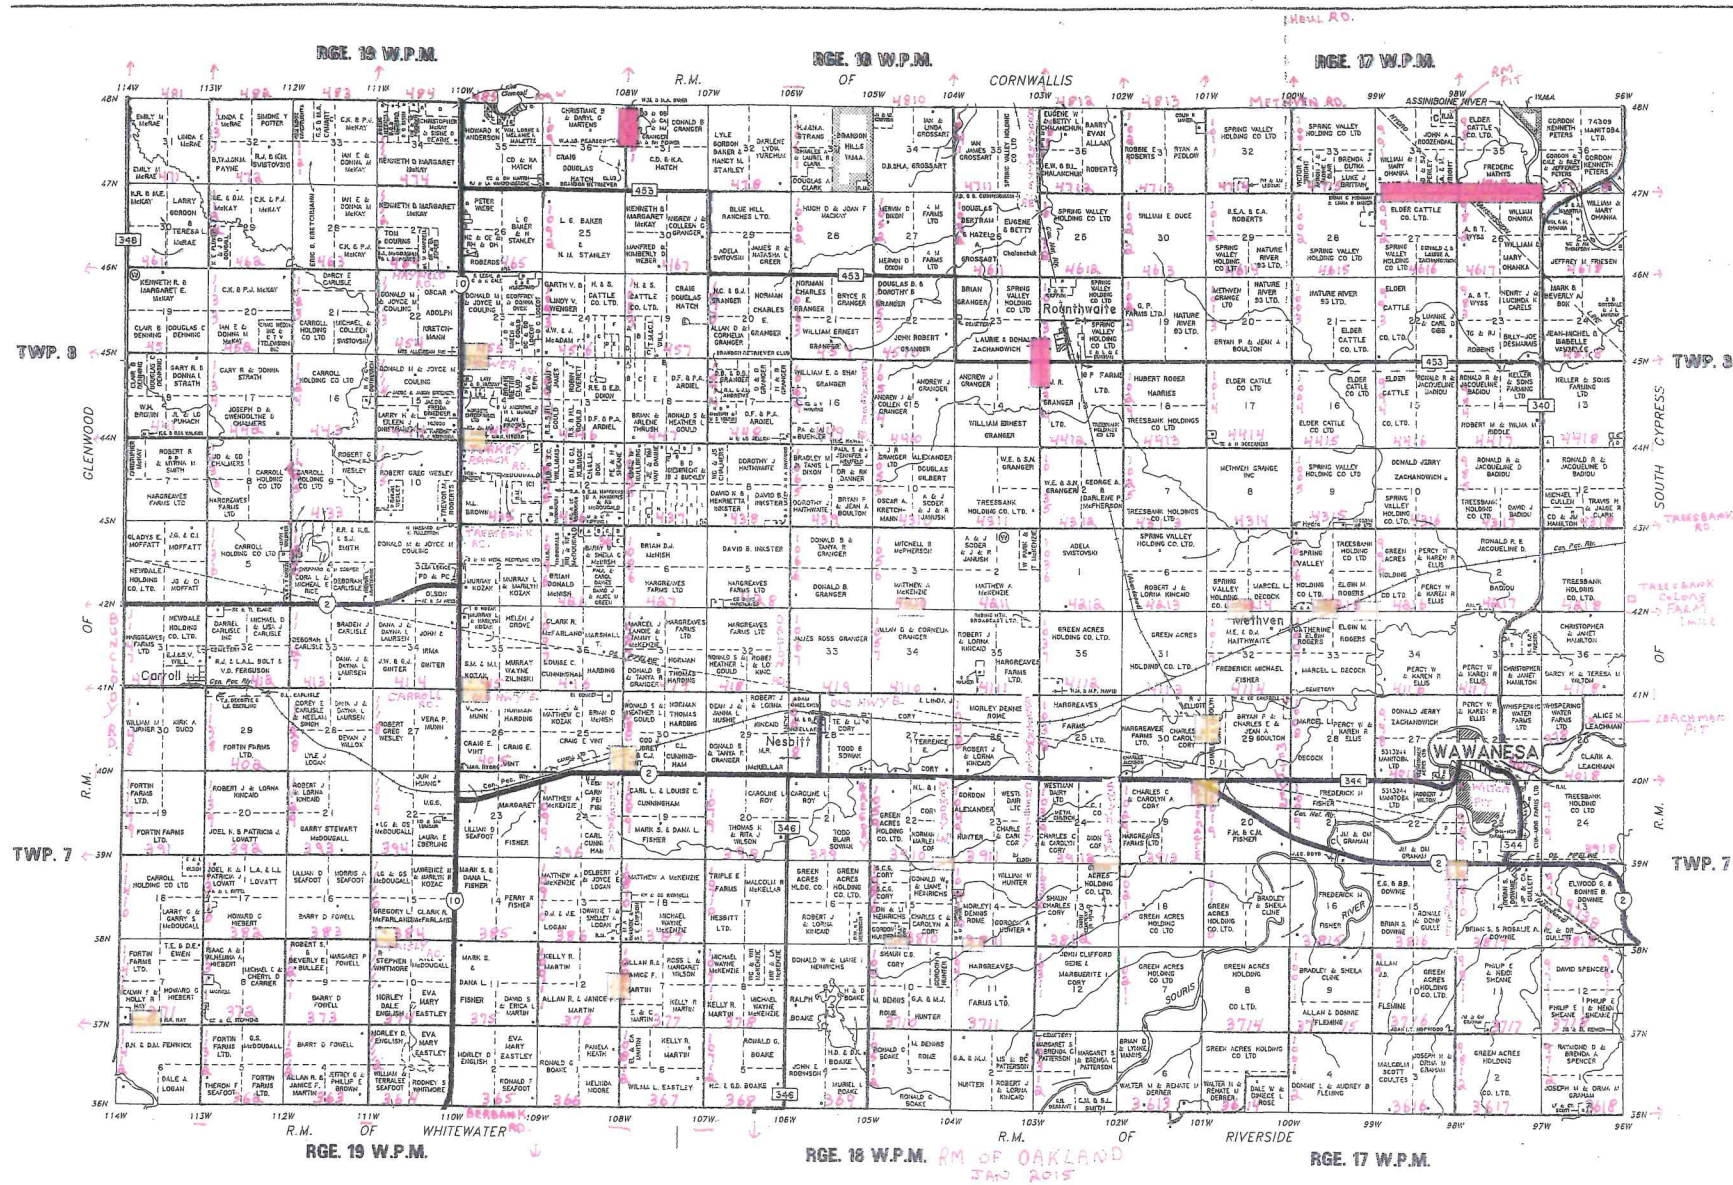

At the discretion of the Public Works Manager, municipal equipment may operate outside of the municipality in the case of an emergency.

## **TOWING**

Municipal equipment shall not be used to tow any vehicle that is not owned by the municipality.

## **DISCLAIMER**

This Policy is based on normal summer weather conditions, reliability and availability of resources both human and physical. The municipality does not guarantee a level of service under abnormal or extreme summer conditions nor in the event of a work stoppage. It is acknowledged that conditions may occur which temporarily prevent achieving levels assigned. In such cases, efforts will be made to keep roads open, consistent with available resources.

Hey Joni,  
I can't rememeber if I said so, but Mr. Kincaid does not have dirt. We would have to survey for donation.

Can you still present the concern to council and ask for support in repairing the yard in whatever fashion they are suitable.

Thank you

**Subject:** Nesbitt Playground repair

Hey Norma,

I was thinking about the playground in Nesbitt, and I was wondering if a concern can be passed along?

The playground project in Nesbitt has been underway for years. With the addition of the slide, and then the church coming down, the park was at a place where it can be enjoyed and potentially improved on as a greenspace for the community. Once new dirt was added and the ground levelled, we were on our way to having a beautiful yard to be used by community members and groups like the Kidz Kicks soccer program.

Last summer a new resident moved in, and when they did, they drove their trailer across the playground lot onto their yard. This went right over the space where the church used to be, so it sunk quite a bit. When approached, the resident attempted to flatten the grooves with his machinery, but the yard is now uneven as the tractor

and trailer put a lot more weight on the yard than it could handle. Before the snow fell, the yard was uneven, and the tracks still visible. It is therefore far from the space that was envisioned and worked on by volunteers and community members for years.

Can I put in a formal request to the RM for support in repairing the yard, so that it can be maintained as a greenspace. This will involve more dirt to be placed on the lot and it to be leveled. After the church came down, the RM supported the community club by hauling black dirt from a nearby farm and unloading it on the lot. We then had a volunteer level it. I am wondering, considering the circumstance of the current situation, if both the hauling and leveling can be done by the RM. It would be great to get this underway when the snow melts.

Thank you for your time. The community club just wants a nice place for the community to enjoy.

Sincerely,  
Dale Seafoot
